### Healey Addresses Parents On Crime

#### Two New Officers Named By PTA To Fill Vacancies

The Parent-Teacher Association of Kingston Township held its first meeting of the new term on Monday night. The resignation of Mr. Zimmerman, president, who has secured employment in the western part of the State, and that of Mr. White, the treasurer, who has secured a position as commercial teacher in Bloomsburg schools, were accepted.

Mrs. Meacham, vice-president, presided. She was elected president and Benjamin Post was named treasurer. Mrs. Meacham announced committees will be named in a few days. Samuel Davis, secretary, gave the treasurer's report which was accepted.

Mr. Coolbaugh, principal of the morning session at Shavertown school, reported ten pupils were found 10 per cent underweight and were entitled to free milk. The afternoon classes will be weighed in a few days. Members of the PTA voted to continue giving free milk to those underweight. Prof. J. A. Martin, supervising principal, explained how the hearing of pupils is being examined and the benefits expected to result. He also told the parents of the tuberculosis tests being held in the State, but in which Luzerne County was not included. He said such a test would be a fine project in the township and that co-operation could be secured from the State Department of Health.

Warden William Healey of Luzerne County prison was the speaker. He spoke on crime conditions in Pennsylvania, stressing the high cost of punishing criminals as compared to the low cost of training youth properly. Few prison inmates ever were members of the Boy or Girl Scouts, Mr. Healey said.

The high school orchestra played and a social time included a luncheon of cider and doughnuts.
