

THREE LOCAL FOOTBALL TEAMS PLAY AT HOME THIS WEEK-END

Kingston Township Tied For Second Place In League

LEHMAN ENDS REST

Gunning for first place in the Luzerne County Scholastic League, Kingston Township High School gridders tangle with Shickshinny at Trucksville tomorrow afternoon. Due to a 21-0 loss to Wyoming last week, the team is tied for second place in its league, but Coach Walter Hicks believes if the boys continue to show the spirit and ability they demonstrated in the first game, the top rating will be well within reach.

"Last week's defeat was caused mainly by overconfidence," said Hicks, "but I think the players have learned their lesson and will get through the rest of the season in great shape." Throughout the week he has been drilling the team in wide open pass formations, and has given the line extra work on defense.

After a two weeks' layoff Lehman Township High School is well prepared to meet Tunkhannock at Lehman Friday afternoon. Warmie Elston and Tommy Dropshinski, who have been benched due to injuries, will be back in the lineup, and Coach Malcolm McCulloch expects his team to keep their season record unmarred. A fortnight of strenuous practice sessions has strengthened the team's defensive considerably, and the passing attack is clicking well. "The lads are showing real form, and their grit and determination make up for their lack of experience," said McCulloch, "so we aren't worried about the outcome of the Tunkhannock game."

Dallas Township, defeated by a stronger Edwardsville team, 12-6, last week, will take the field at home against St. Nicholas with a new spirit this afternoon. Coach Thorwald Lewis has returned to his duties after a short illness. "I really think we will take the Saints over," Lewis said. Edwardsville won the game in the last 20 seconds, and the players showed their first signs of spirit. A win in Friday's game may make all the difference.

Republicans Will Hear Candidates

1,000 Expected At Rally In Township School Next Thursday

At least a thousand persons are expected at the Republican rally to be sponsored jointly by Dallas Township and Borough G. O. P. units in the township high school on Thursday night, October 27, beginning at eight. Besides a program of political talks, there will be a keynote address by a prominent Republican leader, entertainment, prizes and refreshments. It is expected to be the biggest political rally ever to be held in this section.

Among the speakers will be Bert Jones, president of the club, who will be chairman; Peter D. Clark, chairman of the Sixth Legislative District, who will introduce the speakers, and Michael Yeosock, candidate for Congress; Robert Miller, candidate for senator, and Donald Wilkinson, candidate for representative.

The high school band from Dallas Township will provide music. All persons, regardless of party affiliations, will be welcome.

Kis-lyn Superintendent Addresses Dallas PTA

The importance of the home, the parents, the school and the teacher in character building was stressed by Charles F. Johnson, superintendent of Kis-Lyn, boys' reformatory, in a talk before Dallas Township PTA at the Township High School auditorium Monday night.

"Most of the boys in Kis-Lyn are there because of the failures of parents and teachers," said Mr. Johnson. Entertainment was provided by Mr. and Mrs. Ralph Haley, who gave several vocal selections.

At the business meeting, in charge of Mrs. Edgar Adolph, final arrangements for the Halloween sports dance to be held Tuesday evening were made.

Arrows Give Town Championship Nine

Team Refused To Be Licked, Came Back To Win Pennant

The story of how a group of clean-cut young men organized a Dallas baseball team last spring, how they stuck together despite early-season discouragements and how, finally, they fought their way from the bottom of the league to the championship is a story reminiscent of the days when baseball was really the reigning sport here.

It has been years since Dallas had a championship team. As a matter of fact, it has been a good many years since Dallas has had a baseball team at all, and when Don Grose began talking enthusiastically last June about a team called the Dallas Arrows few people were interested. It was a tough job, raising the funds that were necessary, but a group of civic-minded business men helped out and the new team got started.

It didn't look so good at first. For several weeks the new team lost every game. No one would have given very much then for the chances at the championship. Then something happened and the Arrows began winning. They'd still lose a game, every once in awhile, but more often they'd win. Dallas began to look at its fledgling entry in the league with new interest.

By fighting hard, the Arrows climbed from the bottom of the league to a tie for fourth place by the time the regular season ended. A ten-inning game with Jenks split the tie and put Dallas into the semi-finals, opposing Carverton, the second-place team. Dallas disposed of Carverton in two

games. By that time only Vernon, last year's champions, separated Dallas from the league pennant.

The Little World's Series

Vernon won the first game. The second game broke up in a free-for-all and had to be played a week later. Dallas won, tying the series. Then, on the same day the Yankees were making it five straight over the Cubs to take the World's Series, the Dallas Arrows defeated Vernon, 7 to 3, to win the championship of Luzerne and Wyoming Counties.

It's all over now, except giving credit where credit is due. Some of the credit, says Manager Grose, should go to the business men of Dallas who co-operated with him and his team. He wants them to know how much the team appreciated their support. But there are the team members who deserve a rousing cheer. There is, for example, Chet Sutton,

who won 10 of the 13 games he pitched. Somebody should thank those four batting aces, Ben Russiloski, Joe Banks, "Babe" Williams and "Red" Brinzo. Russiloski, Banks, Brinzo and Williams were also sensational at fielding, as were Frank Russiloski and John Salansky. Other heroes of the Little World's Series were Frank Hemmingway, Caspar Salansky, Peyton Lee, and Albert Salansky, all outstanding fielders and hitters. In fact, it would be difficult to neglect any member of the team, but if one outstanding player were to be picked he probably would, be Ben Russiloski most consistent hitter and fielder, with "Red" Brinzo second.

Reviewing the season, the Arrows played 20 games. They won 13 and lost 7. Most of those losses came early in the season. Of the six semi-final and final games, Dallas won five.

Luzerne To Face Hanover Saturday

Victory Needed Today To Help Team Toward Title

Well prepared for its most crucial game of the season, a fast and deceptive Luzerne High football team, with one win and a tie in the Wyoming Valley "A" Conference, travels to Hanover Saturday afternoon.

"Although a loss to Hanover won't ruin our season by any means, a win may mean the conference title," said Coach Tony Demboski, "but whatever the outcome of the game, I'm not ready to reach for the crying towel yet. The boys had possibilities at the beginning of the season and now they're making good on them."

Working with a fast and fairly heavy team, averaging 170 on the line and 155 in the backfield, Coach Demboski has schooled his team in a variety of spinners and tricky reverses, and has developed one of the valley's most effective offenses, together with a defensive line that has shown up well in early season games. Prospects are very bright for the Orange and Black next year, too, because the squad is made up mainly of underclassmen.

A tentative lineup for Saturday's game against Hanover finds White, Slivinski, Farrell, Bogdon, Conduis, Contino, and Rowett on the line, Rocodranti at quarterback, Martino or Yurashes at left half, Chernetzki or Pryor at right half, and Kulka at fullback. Student manager of the team is Leroy Casey.

Games following the Hanover contest include: Friday night, October 28, Edwardsville, at home; November 5, Meyers, away; November 11, Coughlin, at home; and November 19, Berwick, away.

BROTHERHOOD TO MEET

The Brotherhood of St. Paul's Lutheran Church of Shavertown will hold its monthly business and social meeting Monday night at 8:00 in the church basement, featuring a speech by H. K. Reinhardt and a sound motion picture, "The Mystery of the Black Sedan." Refreshments will be served and any men wishing to attend are cordially invited.
