### Local Church To Have Its Joash Chest Service October 30

By Rev. Francis Freeman  
Pastor, Dallas M. E. Church

On March 7, 1937, the First M. E. Church of Dallas held its first "Joash Chest" service. It was an inspiring service. However, our officials deemed it wise to make it a mid-conference year service. Therefore, we are having the "Joash Chest" service on Sunday, October 30.

Three or four questions may be aroused in your mind: (1) What is the Joash Chest Service? It is a special service to be held on Sunday morning at 11 in the form of a pageant. A Joash Chest will be placed at the altar in the church and in it the congregation will deposit gifts for the church.

(2) What is its purpose? Its purpose is to show the sacredness of Christian stewardship. We cannot afford to neglect our privilege of giving to the church that the work of the Kingdom of God may continue. Its purpose also is to have our people know something about the needs of our church.

(3) What can I do? Plan to attend this service. The strength of our church depends upon a close fellowship among our members and friends, in close fellowship with the Christ.

## Mrs. Sawyer Officer Of New Dahlia Group

Mrs. George S. Sawyer of Dallas, noted dahlia expert, was elected a vice-president of the newly-organized Northeastern Pennsylvania Dahlia Society in Scranton last Friday night.

Growers from Dallas to Carbondale took part in organizing the society, which will promote the growing and exhibition of better dahlias and conduct an annual show. Every one interested in dahlias is invited to attend the meetings, which will be held on the third Friday of each month in the Chamber of Commerce building, Scranton. C. H. Stoekel of Clarks Summit was named president.

Since this is a service of Christian giving, let us plan to catch up on our church giving and sacrifice something that we may do a little more than we had planned. Plan for, talk up and pray for the Joash Chest service.
