SHAVERTOWN — MT. GREENWOOD — TRUCKSVILLE

Machinery Moved From Street Job

Highway Department Turns Center Street Over To WPA

The latest attempt to complete the improvements started to East Center Street, Shavertown, by WPA three years ago petered out this week as the State Highway Department, claiming a shortage of funds, hauled away its machinery and passed the buck back to WPA.

As a result of a vigorous protest from angry property owners last August, the Highway Department took over the project and completed West Center Street, East Center Street is still uncompleted and motorists must drive over the rough, rock fill. There are no sidewalks on the street so pedestrians must walk on the half-finished highway.

"We're thoroughly disgusted with the Highway Department and with WPA," one property owner who must use the street told The Post this week. He intimated that some legal action will be taken unless arrangements are made to complete the long-drawn-out project.

Factoryville Faces Local Team Saturday

The Kingston Township High School football team will play Factoryville on Saturday on the local field. A hard game is expected since Factoryville has not been defeated this year. On Thanksgiving Day the championship of the Back Mountain section will be decided as Lehman and Kingston Township both have defeated Dallas Township. It appears that the teams are evenly matched. Last year they attracted the largest crowd ever to attend a game here.

GAY-MURRAY NEWS

HUNTING TIPS

We have the wool Hunting Suits for cold days—grouse season is closed—rabbits, ringnecks and squirrels are open till November 26th. Look at our line of Big Game Rifles in all calibres new and used — also all sizes of Kleanbore cartridges. Chas. Lane and Don Kintner each got a bear the first day of season. Deer season opens November 28.

Jim Sickler, Felice Frioni, and Parker Malone recently bought new Remington rifles. That accounts for 3 doe. We also have Savage, Winchester and Marlin.

Our Maple City Barn Equipment looks good, is very durable and sells reasonable. Emory Wright at Centermoreland recently bought steel stalls and stanchions. Maple stalls sell as low as \$4.75.

We install heat of all kinds. Just tell us what kind you like best. Last week, we installed a furnace for Oliver Slocum at Sweet Valley, a cabinet heater for I. L. Stark at West Nicholson, an Oil Burning Heater for Wesley Reeves at Lake Winola and a Steam Plant for Dan Love at Mehoopany.

Everyone knows how good a Pittston Range is and you can buy them here at less than \$90. Recent purchasers are Mae Stark Baker of Tunkhannock and Dan Denman at Beaumont. New black Ranges sell here at \$50.00.

ATTENTION POULTRYMEN!
Every chicken which has been running on the ground has worms and they can be removed by using Doc. Salsbury's Rota Capsule. This treatment will not stop the hens from laying and is a sure remedy.
