(Continued from Page 1)  
its distaste for the old county Republican organization emphatically in its defeat of Pinchot last year and its election of Peter D. Clark of Dallas, a James independent, as district leader. Since then Mr. Clark's leadership has won increasing recognition from men close to the Governor. The local man's advice has been accepted, not only where affairs of this district are concerned but also in policies which effect the Third and other nearby districts. His name is mentioned frequently as a candidate for County Commissioner this year, although Mr. Clark is inclined to discourage such talk. Observers accepted as an indication of the seriousness of the Republican split the fact that Governor James was accompanied here by Col. Carl Estes of Texas, who has been with the new executive, as a confidential advisor, for the last two or three months. While the Republican breach continues, the Democrats, who were drawn together after their disastrous rout last November, are approaching greater harmony. With a registration of about 113,000 in Luzerne County, nearly 8,000 more than the Republican Party, the Democrats have a good chance to oust Republicans from the offices which will be filled at this year's election. Besides naming two Common Pleas judges, voters of Luzerne County will elect this Fall two County Commissioners, a sheriff, a district attorney, a treasurer, a registrar of wills and a recorder of deeds.

**Head Of Bus Firm, Native Here, Dies**

**Emory Edwards Was Born In Pike's Creek**

Emory R. Edwards, 51, president of the Edwards Motor Transit Co., Inc., a native of Pike's Creek, died at Williamsport Wednesday morning after a 10-day illness of pneumonia.

Mr. Edwards was an uncle of D. L. Edwards of Mt. Greenwood. His parents, Mr. and Mrs. William H. Edwards, were residents of this section for about 50 years. After his parents' death, about 40 years ago, Mr. Edwards left here.

As head of the company operating the Lake-To-Sea Stages, Mr. Edwards had become well known in the seven years he was a resident of Williamsport. A pioneer in the bus industry, he was one of the founders of the company of which he was president. Starting business in DuBois in September, 1918, he and one of his brothers, J. Wesley Edwards, operated their first bus line on a six-mile route between Curwensville and Clearfield.

They made an average of five round trips a day, covering approximately 60 miles daily. Today the line averages 4,900 miles daily, and its longer run is the 1,000-mile trip from New York City to Cleveland. The company today operates a fleet of 33 modern buses, the largest of which has a capacity for 33 persons.

Mr. Edwards was president of the Williamsport Chess Club, a member of masonic orders, a leader in Y. M. C. A. work and a prominent figure in motor transportation circles.

Surviving are his widow, a daughter, Mrs. Bruce Housenecht of Milton; a son, Andrew, at home; three brothers, Charles M., J. Wesley and Ferris J., all identified with the bus company, which has headquarters in Williamsport, New York and Cleveland.

Among the local survivors are two uncles, Pitman B. Edwards, 82, Shavertown, and Frank A. Edwards, Sweet Valley, and an aunt, Nettie Roberts, 86, of Pike's Creek.

The funeral will be held at Page Funeral home in Williamsport tomorrow (Saturday) afternoon at 1:30.
