

CHAMPIONS LOST ONE GAME TO BLOCK PERFECT RECORD

Dallas Township Team Ends Triumphant Season; Kingston Township Girls Clinch Their Pennant

Dallas Township ended its triumphant march to the rural scholastic basketball throne Friday night with a decisive 31,24 victory over Laketon. At the same time a smoothly working sextet from Kingston Township High School clinched the girls' pennant by beating Lehman 31,20.

Winding up a one-sided season, the final results of which have never been in doubt for the past month, Dallas Township had scored fifteen wins, bowing only to Dallas Borough.

In the girls' league, however, a nip-and-tuck battle has raged between the borough girls and K. T. H. S. since the early part of the season. If the Kingston Township girls had lost to Lehman Friday night, a playoff for first place with the borough would have been called. As the season ended, however, K. T. H. S. retained a two-game lead over Dallas with six victories and one loss. The local sextet had five wins and two losses, and Dallas Township, Lehman and Laketon followed in order.

Chaps Outstanding Quintet

The 16-game schedule, used this year for the first time in the rural league, made Dallas Township one of the outstanding teams in the history of this section. While Dallas Township lost Thursday night to a faster and more experienced Sugar Notch quintet in the first game of the district playoffs, the increased playing season may produce a winner from this section in years to come.

Some reason for the one-sided race this year may be found in the double advantage Dallas Township has had from the first. The township not only had the biggest and fastest team of the rural league, but one of the outstanding scoring aces of the district, James Knecht.

The borough boys, six games out of first place with eight wins and seven losses, had a chance to catch up with Dallas Township in the first half of the season, but dropped too far behind in a series of disappointing games in February. Lehman Township, champions of last year, had been entirely out of the running since early in January, finally finishing in fourth place with four wins and eleven losses.

Borough Shy One Game

A postponement has limited both Lehman and Dallas Borough to fifteen games each. Since the borough leads third-place K. T. H. S. by only one game, a playoff would officially decide second place honors. No announcement of the playoff was made this week, and it is believed that the game will not be played.

Final standings in the boys' basketball league:

Team	Won	Lost
Dallas Township	15	1
Dallas Borough	8	7
K. T. H. S.	8	8
Lehman Township	4	11
Laketon	4	12

James And Estes Chat With Frantz, Read Post

The Post was interesting enough to check affairs of State two weeks ago.

Governor Arthur H. James and his adviser, Col. Carl Estes of Texas, stopped in at Gerald Frantz's store at Huntsville Saturday before last, saw a copy of The Post on sale and spent five minutes reading up on local comings and goings before continuing on their way.

In a conversation with Mr. Frantz, Governor James said it was his first visit to the store in forty years. He used to drop in at the store, owned then by the late A. J. Rogers, during boyhood fishing excursions to Huntsville.
