## WHAT IS MEANT BY LOCAL INSURANCE AGENT

If your property should fall victim to fire, a dozen problems may confront you. What should you do first? With whom should you get in touch? How should you present your claim? That is when you'll be doubly glad you have a home-town Agent to whom to turn for advice and assistance. For the home-town Agent is on the job not only to help you plan your insurance program wisely and economically but also to help you when disaster comes.

The Local Agency system is a basic feature of CAPITAL STOCK COMPANY FIRE INSURANCE. That is one reason why four out of five people choose capital stock company fire insurance in preference to other types.

Let us help you make certain you are properly and adequately protected against the hazards of fire, explosion, riot, wind-storm, or whatever would endanger the use and occupancy of your home or business.
