Dallas Nine Drops Baseball Opener

Beaumont Turns Tide In Sixth To Win, 15-8

Handicapped in its first appearance of the season by the absence of four regulars, Dallas Borough lost to Beaumont, 15-8, in a practice game at Beaumont Tuesday afternoon.

The Wyoming team, two times winner in its own league, pushed over seven runs in the last two innings to turn the game into a rout.

Loren Fiske, starting pitcher for the borough and a star on the mound last year, kept the local nine on even terms with Beaumont for five innings. Walter Kuzma, who replaced Fiske in the sixth inning, and Kenneth Harding, a newcomer to the borough team, were unable to stem the tide for the concluding stanzas.

If the borough players overcome their early season jitters and correct their lax base running before the rural league teams open fire, they stand a good chance for the scholastic title, according to Coach R. H. Rood.

The local nine has been working out on a vacant lot two blocks from the school for the past two weeks. Last year they played league games on the Dallas Township diamond.

A tentative line-up includes Loren Fiske as pitcher, with Walter Kuzma and Carleton Rogers, alternates; Darwin Roberts and Tom Carkhuff alternating behind the plate; Lewis Reese at first base, Alvah Jones at second, Bob Niemeyer at short stop and Walter Kuzma at third. In the outfield, Evan Brace will play left field, Carleton Rogers, center field, and either John Jewell or Hobart Jeter in right field. Other members of the squad who will see service are Elwood Ide, Keith and Kenneth Harding and Earl Brown.
