### Winter Season Teams Lining Up; St. John's Alleys Resurfaced

With the winter bowling season just three weeks away St. John's Social Club, owners and operators of the bowling alleys on Miller Street are having their alleys resurfaced. Opening date of the winter schedules will be September 11 when the Businessmen's Bowling League will open its tenth annual season.

### Rahl's Market Takes The Flag

#### Kraft Cheese Takes Second League Place

Ending with the thirteenth week, St. John's summer bowling closed its season last Wednesday night with Rahl's Market winning the championship with a four-point forfeit when opponents failed to appear. Joe Schwab and his Kraft Cheese team finished in second.

The final standing:

Rahl Market	33	6	44
Kraft Cheese	30	9	41
Buddies Shop	25	14	35
Post Office	25	14	32
Wheelers Cafe	23	16	31
Keystone Barbers	20	19	28
Lare Market	18	21	24
Glennon Beer	18	18	23
Luzerne Anthracite	14	25	18
Fairsex Quins	12	27	16
Piledgi Tavern	9	27	11
Kelly St. Market	7	32	10

The league high average went to Adam Bavitz of the Buddies' team. Most of the bowlers took it for granted that the outing closed the season and failed to appear for the final week games. Kraft Cheese defeated its opponents for four points, while Rahl's Market, with its full team on hand had no opposition.

### Business Men's League Will Reorganize Monday

Business Men's Bowling League will meet Monday night at 8:00 p. m. at St. John's alleys to reorganize for the season. Following teams will be represented: Luzerne Anthracite with three teams, Stegmaier, Rahl Market, Piledgi Tavern, Greenwald Furniture, West Side I. C., Pete Smith Grocers, Standard Tru-Age Beer, Buddies Men's Shop and Bill Search Cafe from Kingstons.

### Senior Bowling League Starts September 11

With all plans and rules adopted and officers elected the West Side Merchants' Senior Bowling League will start its season on Thursday, September 14. Twelve teams will comprise the league with a thirty-three week schedule. All teams will bowl five men with one substitute allowed each team. Teams will bowl at 7:00 and 9:00 p. m. Bruno Spinici is president with Sarge Evans as secretary.

With Monday nights being used by the Business men, the other nights are allotted as follows: Tuesday, Forty Fort M. E. League; Wednesday, All Star League; Thursday, West Side Merchants' League; Friday, The Juniors; Saturday, Evening News Major League game and a Duck Pin League.

In the Businessmen's League, all of last season's teams will be on the alleys with the exception of Kester Cafe, replaced by the Piledgi Tavern. Luzerne Anthracite will place three teams in the league with the Office, Outside force and Truckers represented. Genial Bill Lowe of the Luzerne Anthracite will again be commander-in-chief of his three forces. As his lieutenants he will have: John Rosnick, captain, Office force; Johnny Sobek in charge of the Outside gang and Steve Chisner looking after the Truckers. The same bowlers of last season will be on the teams with the exception of the Truckers, who will have some new faces on their roster. Buddies' Shop with Jack Kovacs at the helm will probably have its last season line-up with the acquisition of Adam Bavitz, which is not official. Who Stegmaier's will have this season is not known, but a strong team will be on hand to represent that concern. Piledgi Tavern will replace the Kester Cafe, will have Steve Novak in charge and Steve has signed up Stelma, Spinicio, Motyka and himself so far. Rahl's Market will have a strong aggregation on hand but no information on the players is available.

Bill Search and his Cafe team will be back with the same old swashbuckling and ear splitting rooters who never know when to quit. Pete Smith with his always reliable Nemtko, Brownie, Carr and Brother Tom with Harry as the main spring, will start where they left off last season in their climb to the top.

Jake Titus will trot out his West Side Ice team with all of last season's boys again on hand. Greenwald Furniture and Tru-Age Beer are still on the border line with the prospects of being in when the first ball is rolled.

In case the above do not cross the line on time, there is the Bell Telephone and Steve Lukesh with his Sordoni outfit ready to step in. With the Businessmen accounted for, we next turn to the West Side Merchants' going into their fifth season on the St. John's alleys.

West Side Merchants' Leading off with Bruno Spinicio who will again put the Spinicio Garage in as the threat of the league. Bruno has signed some new players who are good and if

Bruno doesn't cross the line a winner this season it won't be the fault of his team. Earnie Hewitt will take over The Karlotski Brothers team and use his ingenuity to put those boys on top and keep them there. From reports, the same team that worked for Karlotski Brothers will again be on hand for Hewitt. Sue Leandri has his hands full with many offers to manage teams and so far has made no selection. Regardless of who he represents, he will have his old buddies in the line up.

Spiegel Nite Klub may or may not be in. Spiegel is on the lookout for a fast team and if he connects he will be in there.

George Wheeler will bring his old gang from Brodericks into the league with some of the Swoyer-ville finest in the lineup.

Luzerne Anthracite will put their last season team again into the fold. These boys came through in the finals last season.

Woodlawn Dairy will be out this season. Eddie Costello will not be in. Alden Lunch has not been heard from. Some new teams will be in their places and as soon as all arrangements with bowlers are made these teams will be announced. The league will bowl on Thursday nights this season.

#### All-Star League

All-Star League will be made up of the leading bowlers of the various leagues of Wyoming Valley and will bowl their games on Wednesday nights.

#### Junior League

Junior League will bowl Friday nights and will have a full twelve team league this season. Leading off will be Charlie Friedman's Department Store, winners of last year's championship. Buck Jones, as captain, will probably have his old line up on hand. George Kovacs and Buddies' Juniors will be back. Johnny Mullan and his Kelly Street Market with Johnny Yantacka in charge will have this season. Yantacka will have his summer lineup.

Quarteroni Bros., have taken an application blank for the Juniors and expect to have a team. Benny's Smoke Shop will have a new sponsor, Tony Caldie and his Serv-Rite Ice team will be back with a new lineup as his average this season will bar some of his last season boys who were too good for the Juniors.

Johnny Arcangeli will bring a junior team down from Rose Hill and from reports these boys will be seasoned bowlers who have a low average. Johnny had a team in the Merchants' League two seasons ago. Johnny Psolka will trot out his Fairsex Quins who made some of the big boys sit up and pay attention during the summer season. A few berths are still open in the leagues and those applying first will get first choice.

One of the requirements for the juniors is the average of less than 160. Any bowler over this average will not be permitted to bowl in this league. As most of the boys of this league will be beginners, some never getting as high as 160 during all their time bowling, it will be just and proper to give these boys a chance to come out as winners of some prizes.

Officers of this league will be elected next Monday night at the meeting at St. John's alleys. The meeting will follow the Businessmen's meeting that night. The first meeting will start at 8:00 p. m. with the Juniors meeting at about 8:30.

### Junior Bowling League Will Meet Monday

West Side Merchants' Junior Bowling League meets at St. John's alleys, Monday night at 8:30 p. m. Officers will be elected, schedule and rules adopted. All teams who have signified their intention of joining the league are requested to have their representatives present.

## BOWLING

Most ancient of sports is this game of bowling. It is one of the oldest and therefore should be one of the most respected of our pastimes and recreations.

Bowling has the distinctive attraction of being at one and the same time, an amusement, a recreation and a health builder of acknowledged merit.

The first indoor bowling alley originated in London in 1455 A. D.

Today the game of bowling is indulged by all classes with teams being organized from all classes of people. The old boy gets as much fun out of the game as the young buck. Girls and their mamas are pitted against each other on teams. High schools have adopted bowling as one of their major sports. Every person has the same chance on the alleys. The seasoned bowler studies his shots and improves his game. The novice takes his ball, rolls with the hope of getting it in the pocket. But as time goes on even the novice studies his shots, improves and gets in the bowler class. For the boys with the prominent waist line, bowling is one of getting streamlined.

Another season will start the second week of September with about two hundred bowlers using St. John's alleys.

Among veterans of St. John's are: John Rahl, Mike Balogh, John Sobek, Frank Tracy, Pete Paluck, John Ondish, Jack Kovacs, Charlie Kurpis, Hank Comorosky, Nick Trusky, Tommy Jacobs, Tom Lavelle, Pete Malin, George Wheeler, Jack Bednar, Steve Walko, Sue Leandri, Frank Rinks, Red Rinks, Ralph Lloyd, Jake and Ray Titus and Johnny Dorosky. These boys will all be back in the game this season.

Frank Tracy has been a consistent winner of league prizes every year. Steve Novak and his teams are gluttons for punishment. Every season this team that Steve manages has been holding the cellar position. Love of the game keeps these boys in there regardless of where they land at the end of the season. With the split prize eliminated this season, Frank Rinks

## Luzerne Reds Lose Hard Game

### Winning Run Comes In Ninth Inning

The Luzerne Reds lost a hard fought game to the Harry E Juniors, on Sunday, 5 to 4, before a large crowd at the Buckwheat field. Both pitchers were touched for 12 hits, but 5 Reds' errors gave the Juniors 3 runs in the first inning. The Reds came back to tie the score in the fifth. From then on it was nip and tuck with the Juniors scoring the winning run in the ninth.

B. Precone and Rocco were the hitting stars for the Reds, while Amos, the Harry E moundsman copped batting honors for the victors. The Reds will travel to Sweet Valley to play this Sunday.

### Soft Ball League Starts Play-offs

West Side Merchants' Soft Ball League will start play-offs Monday, the first four teams participating for the trophy donated by Spinicio Garage. Cybuch Grocers will oppose the Town Tavern and Lloyd Provision will oppose the Ferraro Truckers. Games will be played as follows: Cybuch Grocers vs. Town Tavern at Buckwheat field; Lloyd Provision vs. Ferraro Truckers at Connolly Field.

Final game will be played at Tripp Street with two winners of the semi-finals opposing each other. Each team will be required to have one new ball on hand during their games.

### Patterson Grove

Patterson Grove Camp Meeting is now in full swing having opened last Thursday. Tonight the choir of Benton church will provide special numbers.

will be very much out of place in the winners' column. Bruno is another split shot wizard. A very good arrangement of this season's schedule is in prospect for the bowlers. Plenty of larger prizes will be the prospect.
