IT WOULD be hard to find a more pessimistic man than Walt erans and a handful of first string subs. At the other extreme is Coach ance of the forward wall. Thorwald Lewis—we call him Lou, spiring for anyone, even a football pered early season sessions, will coach at Dallas Township.

Year after year, Dallas Town-ship has lots of big boys on the squad. And year after year the big boys let smaller boys on other teams through for one too many touchdowns per game.

Maybe Dallas will even win the local championship this year. At least, they ought to do better than they did last season, claims Lou, happily. After all, he says, they couldn't do much worse.

NEWHART, a senior who has played a lot of good ball for Walt over the past two years, is an end from last year's eleven, and in the backfield are two veterans, McFadden and Stencil.

Walt expects great things from Stencil this year, or as much as he allows himself to expect. 185 pounds of solid muscle and grit, Stencil is as fine a fullback as Kingston Township has ever had.

But while Kingston Township will try as hard as ever to keep pace in the rural league and win its share of games in the Luzerne County, the team to watch in this section is Lehman Township High, according to Walt.

Their new coach, Morgan, will do wonders with a swell crew of reserves from last year, Walt thinks.

DALLAS TOWNSHIP TO OPEN SEASON AT EDWARDSVILLE

Making its debut in the Luzerne County League, Dallas Township High School will open its football season tomorrow afternoon at Edwardsville.

Last year the Township eleven lost to Edwardsville, 12-6, and may give the West Side eleven even a better tussle this time. While Coach Thorwald Lewis has his lightest team in years, the local players are fast and shifty enough to be a real threat in both the Luzerne County and rural leagues.

Kingston Township High, rural champions last year, will begin their season September 30 against Clark's Summit on the Trucksville gridiron. Walt Hicks' team ended in fifth place in the County League last season.
