## Lehman To Play Factoryville This Afternoon

Dallas Township Home Saturday Playing West Pittston Eleven

For the second week-end in a row, all three teams in the Back Mountain section will be playing at home today and tomorrow.

Coach William Morgan's Lehman squad, which took a new lease on life last Saturday and handed a 12-0 drubbing to Jenkins Township, will play Factoryville at 3 this (Friday) afternoon at Lehman. Factoryville, which will be playing its first game of the season today, is still an unknown quantity.

D. fironatim-  
Kingston Township's up-and-coming eleven, fresh from its well-earned victory over a highly-touted Ashley team, will entertain Wyoming on Saturday afternoon at the Trucksville stadium. On the basis of last week's performance, Coach Walter Hicks' gridmen are favored to wreak revenge for their 21-0 defeat by Wyoming last year.

Dallas Township, which scored a 7 to 6 victory over Taylor High School last Saturday, will play West Pittston at the township field. It will be a real test for Coach Thorwald Lewis' men, who now have two defeats and two victories to their credit. Last year West Pittston won, 21 to 7.

### Hicks' Team Smooth

It was a smooth-working, strongly defensive team which Coach Hicks trotted out on the field at Trucksville last Saturday. Asking no breaks from its highly-favored opponent, the Kingston Township team turned in one of the finest performances ever seen on the local gridiron.

It was Davis, Kingston's right halfback, who took the ball across for the township's lone tally. He broke away on a single reverse at the opening of the fourth quarter and carried the ball 50 yards for the touchdown. Hicks' eleven showed up especially well on the defensive, holding Ashley once for downs in the shadow of the township's goal post.

Beck, the township's right end, sprained his ankle and may be out of tomorrow's game. Stencil, who was a power for the township, running and blocking equally well, suffered a twisted neck, but it was not an injury serious enough to keep him out of tomorrow's tilt.

### 80 Yards For Touchdown

The most spectacular play of the week-end took place at Lehman, when Rusilowski, Coach Morgan's quarterback, intercepted a Jenkins Township pass in the last two minutes of play and ran 80 yards for a touchdown.

Lehman's first score came five plays after the opening whistle, and was accounted for by three passes and two running plays. A pass, Rusilowski to Barnes, accounted for the touchdown. Most of the game was fairly even, with both teams battling strenuously.

### Victory By One Point

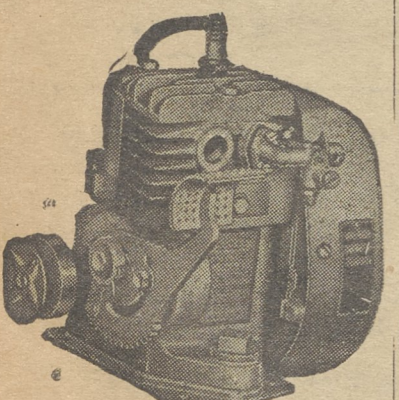

Perfect weather, a fine performance by Dallas Township's high-stepping band, and an enthusiastic, if small, crowd contributed to the township's victory over Taylor on Saturday. It was the first game for Taylor's first football team.

Again Ted Szella, quarterback, was the mainspring of the township's attack. He scored the township's touchdown at the end of a 50-yard drive during which he had carried the ball for three of the four plays.

### Roberts Into Second In Church League

Hessler's team went into first place and Roberts' contingent climbed into second place this week in the Forty Fort M. E. Church League.

Hessler took four points from De Ronde with the support of Unger and Jenkins, who all hit over 500. De Ronde missed the support of the absent Lowe. Van Valkenburg, who has been holding up the league on the bottom came through by taking four points from Peeke. Grampa Bonham helped with his over-500 score. Lunk is still trying to find his hook. "Snap" Austin, who is Peeke's heavy hitter, clipped badly and evans was off, too. Austin was high man on his team with 491.

## BOWLING

President Bruno Spinici of the Merchants' League is still holding his own as champion "Mora" player, having defeated challengers, Bingo Cicero, Mike Ferraro and Frank Chiazza. Bill Gultis acted as score keeper and says that Bruno defeated Ferraro to the tune of 21 to 1. Now if the "Horse" could only bowl as good as he plays the finger game, he would be a real champ.

Nothing is heard of Freddy Wheeler after that drubbing he got at the hands of Bruno. Can it be that Freddy is secretly practicing with Joe Piazza?

For the benefit of the uninitiated, "Iron Horse" and "Power House" are Pete Paluck. The "Horse" is none other than Bruno Spinici.

Sammy Mullay of the Mullay Shoe Repair has taken the Fairsex team under his wing and the Fairsex team will now be known as the Mullay Shoe Repair team.

Tillie Rahl is acting as captain of the Mullay's team while Psoika is away on a business trip. Tillie says all is well with the team.

Yonno Caladie is thinking of shaking up the Eagles. The scores of last week were terrible, so he says. Brother Tony will get the bench unless he wakes up.

Purvis can't get over that three point loss to the lovely Kelly Streeters. Next week they meet the Eagles. Better get the big guns on the job, Purvis.

"Birdie" Yurchak wants to sell his bowling shoes and ball. He has decided that he will play tidily winks, in which he has a chance to win.

Moses says he will root for his team as long as he is able. "Only Indians can scalp me, and the Indians are in Cleveland," he says. He knows his history.

Clem Cywinski finally found the groove in the alleys and is now putting in some good games for the General Cigar boys. Joey Kocan still leads the boys.

Al Regal will give any member of his team that puts in a 500 game a haircut.

Mike Ferraro wonders when his team will win a game. The Truckers are holding the bottom with no wins to date.

Walt Lukasic comes around every other week, but when he is around he causes the opposing team much trouble by his high scores. Walt bowls with the Bileggi Cafe in the Merchants' and with the Luzerne Anthracite Truckers in the Business Men's.

More than 8 acres of space are required to house the voluminous records kept by the United States Patent Office. The office has issued more than 2 million patents.

Central Cafe lost again to the Kelly Street Market. The Kelly Street Market took two games and total pins for three points. Renee starred for the Kelly Street team with 473 pins. Danny Leandri took high scores with 437 pins for the Quarteroni's Eagles took all three

Quarteroni's Eagles took all three games from the Mullay Shoe Repair team for four points. Sammy Mullay has taken over the sponsorship of the Fairsex team.

Johnny Caladie with 452 pins took high scores from the Eagles. Miss Honeywell was the star for the Mullay's Fairsex.

The Junior League will enter the Brunswick Sweepstakes and are now members of the American Bowling Congress having decided at the last meeting to become sanctioned bowlers.
