

### Secret Practice Prepares Lehman For Dallas Twp.

#### Dallas Township Will Play Tunkhannock This Afternoon

Kingston Township high school football team, which took a firm grip on the mythical Back Mountain championship when it defeated Dallas Township, 18 to 0, last Saturday afternoon, will tackle Forty Fort at Forty Fort tomorrow afternoon for another important Luzerne County Conference tilt.

Lehman, which will be idle this week, is having secret practice in anticipation of a lively contest with Dallas Township next week. If Lehman can take that game it will have a chance for the championship when it ends its season by playing Kingston Township, last year's champs.

Dallas Township will play Tunkhannock at Dallas this (Friday) afternoon at 2:30.

Last Saturday's Kingston-Dallas Township game was a colorful affair. The Dallas Township 30-piece band, resplendent in red caps, made a smart appearance and received generous applause for its drills between halves.

Kingston Township dominated the field during play, however. Coach Walter Hicks' men scored 19 first downs to Dallas Township's 3. Kingston Township intercepted or knocked down every pass Dallas attempted.

Davis made the first touchdown for Kingston Township on an end run in the first quarter. The second was on a pass, Stencil to Newhart, in the second quarter. Stencil made the third touchdown in the fourth quarter on a line buck.

Minor injuries continue to take their toll of Kingston Township's team. Beck may be in the line-up for the Forty Fort game but it is unlikely that McFadden will be well enough.

Coach Morgan's Lehman Township team scored a hard-earned victory last Thursday when it defeated Luzerne Reserves, 12 to 6. Chet Rusiloski made the first touchdown in the opening quarter on an off-tackle play. Lehman's second touchdown came in the last quarter, on a pass, Chet Rusiloski to McCarthy. Luzerne made its sole tally when Crossin carried the ball across on an off-tackle play.

### Quarteroni's Retains Its Lead

#### Ferraro Truckers Win Over Mullay Team

With first place at stake for the winners, the Buddies Juniors and Quarteroni Bros. split with Quarteroni's taking two games and Buddies' the extra point. The two point win kept the Quarteroni's in first place by margin of one point.

Ferraro Truckers took two games for three points from Mullay Shoe Repair. Gaiteri was high man for Ferraro's with Sponsor Ferraro taking second in highs. Miss Honeywell again led the girls with a 504 score to climb up to 162 average.

Kelly Street Market came to life to take all three games from the General Cigar for four points. Stefanye Krupa forgot all about the war in Europe long enough to put in a 508 score for the Kelly Street Market and cinch their four points. Kader was the big scorer for the General Cigar boys.

Bernie's Central Cafe had no opposition in the three player Al Regal team and took two games for three points. Paul Evans with 529 was high for Central Cafe. S. Misenchik led the Al's Barbers with a 464 score.

### Luzerne Tries To Strengthen Defense Plays

#### Lions Favored To Take Saturday's Game With Meyers High School

Luzerne high school eleven worked hard this week to strengthen its defense against passing attack. This has been the Lion's chief weakness, as well as the main reason for losing their first game of the season last week to Larksville.

The local boys played a good brand of ball considering the condition of the field at Larksville. After the first few minutes of play it was hard for the spectators to distinguish the players of one school from those of the other. The field was a mass of mud and puddles of water which hampered the boys from getting their driving attack started. Rocograndi was outstanding for the Lions.

This week the local boys take on Meyers High at Connolly's field on Saturday afternoon, and the home boys are the favorites.

### Rahl's Market Regains Lead

#### Bon Ton Beats Buddies; Richards High Bowler

Rahl's Market regained possession of first place in Luzerne Business Men's Bowling League by taking all three games from West Side Ice. Gelsco was the main reason of the victories for Rahl's with his 610 score. "Buck" Jones led West Side Ice with 578 pins.

Bill Michelson's Bon Ton team rode rough shod over Buddies, taking all three games for four points to go into a third place tie with Stegmaier's. Elmer Kraynak was the big gun for Bon Ton with 609 pins. Wheeler led the Buddies' with 593 score.

Greenwald's also came in with a four point win over the Luzerne Anthracite Office team. Tracy it was who did all the heavy work for Greenwald's with an even 600. Phil Richards led the Office team with a 629 score. Strong the big man on the Office team was second high man.

Stegmaier's beat the Truckers by over 500 pins taking all three games. Kender led the Brewers with a 629 score. Kender was on the way to that big game in the last game but tripped up after getting six straight strikes. Polska led the Truckers with 526. Edonick in his first year of bowling hit a 511 for the Truckers.

Luzerne Anthracite Outside lost the first game to Brokenshire's and also lost the league lead. Esser led the Outside team with a 594 and Bill Search again put Brokenshire's in the race with a 564 score. McIntyre hit a 559 score.

Piledgi's Tavern taking all three games from Pete Smith dropped the Smith team into fourth place. Kozik led Piledgi with 609 pins and Brown led Pete Smith's with a 571. A great improvement in the bowling was noticeable this week with all teams hitting better scores. A. B. C. sanction cards were distributed to all team captains.

### Hank Comorosky Leading Again

#### Friedman's Team Holds Sterling In Race

For the second consecutive week Hank Comorosky of the Spinicci Garage team leads the league in high scoring. Spinicci Garage took all three games from Blight Bros. Comorosky hit a 249 game and 593 for series high. Last week Hank was accidentally overlooked and the high honors were bestowed on Londo Mucci who was second high. Karlunas of Blight Bros. is hitting them and also getting temperamental over his feats. Costello is not at his usual stride this week.

Joe Schwab and his Sterling team were again halted by Friedman's team. Friedman's taking two games and Sterling the extra point. Schwab and Jones were the outstanding performers in this match. Jones took high game with 212 pins with Schwab hitting 211. In the finals Schwab rolled 566 while Jones finished with 565. The other members of these teams were hitting them hard.

Luzerne Anthracite continues to hold second place tie with Spinicci by virtue of their three-point win over Bileggi Cafe. Frankie Rinks came out of his slump to take high scores for the Anthracite team with a 232 game and 575 total. Polska was the star for the Bileggi Cafe. The Orioles with Neal Dwyer leading managed to take one game from Grablick Dairy. Ziz Karloski took high scores for Grablick's. St. John's and Buddies' played one of those pick up series with both teams being short and they split in points with two apiece.
