Peace Keynote Of Armistice Day Convention Here

Dallas To Welcome 400 Delegates To Meeting At College On Saturday

The twenty-first anniversary of the Armistice will be observed fittingly here tomorrow when Dallas welcomes 400 delegates to an all-day conference of the Middle Atlantic Division of the Catholic Association of International Peace at College Misericordia.

The delegates, who will represent 23 colleges in New York, New Jersey and Pennsylvania, will participate in a program which will consist of four panel discussions, "Principles of Charity and Justice in War"; "The United States and South American Relations"; "Propaganda and Peace" and "United States Foreign Policy".

The program will begin at 9 a. m. with a mass to be celebrated by The Most Reverend William J. Haffey, D. D., Bishop of Scranton. Miss Mary McCole, president of the local unit, will deliver the address of welcome and Joseph Mahoney of St. Francis College, Brooklyn, regional president, will reside.

At a luncheon at 12:30 in the college cafeteria, Rev. Joseph Gilbride, S. T. D., assistance at St. Francis Church, Naticoke, will speak. At the end of the afternoon session there will be a business meeting and in the evening the delegates will be guests at a buffet supper which will be followed by a dance at which the Misericordia unit will be hostess.

Council Awaits Report Of Survey

Borough's Protection Against Fire Analyzed

A survey of Dallas Borough's protection against fire, to guide council in its progress toward conditions which would cut insurance premiums and result in tremendous savings to property owners, will be made this month by an engineer from the Middle Department Rating Association of Philadelphia.

The survey, which will cost the borough nothing, will be made as the result of action taken by Dr. Henry M. Laing Fire Co. at its last meeting, when Harry L. Ohlman was named to confer with councilmen and ask them to authorize the investigation. Council approved the plan last Friday night.

The engineer, who may have his report ready for the next meeting of council on December 6, will study maps of the water system, the size of mains, the pressure, the condition of the apparatus of Laing Fire Co. and will make recommendations for improvements needed to give the borough a "protected rating".

The Sixth Legislative District, which includes Dallas and its vicinity, gave the Republican candidates a majority of about 3,500 in Tuesday's election, thereby fulfilling its established custom. In the Schwartz-McGovern contest for district attorney the vote was 14,809 to 11,129, a majority of 3,680 for Schwartz.

District Attorney Leon Schwartz led his Republican running mate throughout the Sixth District. Judge Michael McDonald led the Democratic ticket in this district.

William Hausch Is Lone Democrat To Win Office

Polls 33 Votes More Than Stevenson; Gray Is Supervisor

Among the hundreds of Democrats who aspired to municipal office in rural communities in North-eastern Luzerne County on Tuesday only one—William Hausch, Democratic nominee for school director in Lake Township—survived the Republican landslide and was elected.

A last minute mix-up contributed to Mr. Hausch's victory. In the primary election, Louella Gossart, a candidate for the Republican nomination, was defeated by Chief Ira C. Stevenson and Kenneth King, but Miss Gossart's name was written in for the Democratic nomination.

Democratic friends of Michael Kuchta, a Republican also wrote in his name and when Miss Gossart withdrew, Mr. Kuchta's name, unbeknownst to him, was placed upon the General Election ballot. When Mr. Kuchta discovered, last Friday, that he was the Democratic nominee he announced his withdrawal immediately but it was too late to strike the name from the printed ballot. He received 266 votes.

The returns follow:	
School Director (Two To Be Elected)	
Kenneth King, Rep.	416
Will Hausch, Dem.	372
Ira C. Stevenson, Rep.	339
Michael Kuchta, Dem.	266

Joseph Raugh, Dem.	264

Croop Is Victor In Hunlock Race

He Wins Close Contest Over Ami Rittenhouse

A stiff battle for road supervisor was the highlight of Tuesday's election in Hunlock Township, where most Republican nominees received a two to one majority.

Only twenty votes separated George N. Croop, G. O. P. nominee for supervisor, and his opponent, Ami Rittenhouse. Croop polled 314 votes and Rittenhouse 294. Otherwise the contests were one-sided. Ray Harrison and Byron Hunter, successful G. O. P. aspirants for school director, received 413 and 405 votes, respectively. Their lone Democratic opponent, Edward Wildoner, received 194 votes.

Judge W. A. Valentine led the county ticket.

WPA Worker Who Burned Barn To Spite Landlord Jailed For Trial

Henry Pierson, Father Of Nine, Wrecks Home When He Receives Notice To Vacate Home

The uncontrollable temper of Henry Pierson, who was so angry when he received orders from his landlord to move that he fired the barn and smashed windows in the home of the farm he rented at Orange, landed the repentant 43-year-old WPA worker in Luzerne County prison this week.

Pierson, whose wife and nine children, the youngest still a baby, have left the wrecked farm and are staying with neighbors, was charged with arson and malicious mischief by State Motor Police at a hearing before Justice of the Peace Howell Evans of Wyoming and committed to jail in default of bail to await grand jury action.

The Pierson family moved to Orange from Kingston last June, renting a farm owned by a Kingston man. Last Friday night when Mr. Pierson reached home his wife showed him a letter which had been received from the owner, ordering the family to move. It was the second notice the landlord had sent. Mrs. Pierson told police the letter so angered her husband he immediately began to wreck furniture in the home. He broke two stoves, damaged the interior, smashed all the windows in the home and attempted to set the place on fire by burning a bed. Neighbors arrived in time to extinguish the blaze and save the home.

They quieted Pierson and took him to the home of a neighbor but he escaped and returned to the farm. Shortly afterward, neighbors saw flames arising from the Pierson's barn and when they arrived they found the fire raging beyond control. The barn was completely destroyed.

Pierson was arrested by Officers Wilson, Shupnik and McManaman of the State Motor Police and taken to the Wyoming barracks. The family had been highly-regarded in Orange and Mrs. Pierson told police she was at a loss to understand what had come over her husband.

Post Offers \$1,000 In Prizes And Daily Commissions For Spare-Time Work

Need extra cash for the holidays? Christmas is just around the corner, and already the problem of securing the cash necessary to make the purchases is bothering a number of persons in the Greater Dallas area.

The subscription campaign just announced by The Dallas Post can well take care of the gift problem for a number of residents of this section if they will enter the campaign immediately.

The Dallas Post is offering four cash prizes totaling \$875 in its subscription campaign, just starting this week. And the best part about the campaign is that even though one does not win a cash prize, he

or she will be paid a daily cash commission of 25 per cent on all collections on both new and renewal subscriptions during the life of the campaign.

Four cash prizes are offered, as follows: First prize, \$400 in cash; Second prize, \$250 in cash; Third prize, 150 in cash; Fourth prize, \$75 in cash.

Any one entering the campaign retains a commission of 25 per cent on all collections, then at the end of the campaign those winning cash prizes will receive the awards less any commissions already retained by them. In other words, the winners receive part of their prize in commissions as the campaign progresses, and the balance at the end of the drive.

The campaign is open to any man, woman, boy or girl in the Greater Dallas area, from the Valley towns up into lower Wyoming County. Only a few entered, so there is room for new entries in every part of the campaign territory. Subscriptions count more points or credits toward the cash prizes during the first three weeks of the campaign.

The first list of entries is published today, and names and point standings will be published weekly. In today's list only the 5,000 entrance coupon is published. Beginning next week subscription points will be published, and workers are urged to make a report not later than 5 o'clock p. m. Wednesday, in time to appear in next week's list.

Dallas Twp. Board Lets Contracts For Building Authorized By Voters

Addition Of Second Story To 1936 Annex Will Permit Transfer Of Pupils From Goss School

Acting promptly to carry out the plan approved by voters on Tuesday, Dallas Township school board on Wednesday night awarded \$28,765.22 worth of contracts for the erection of an addition to the high school building.

The project will be financed in part with a \$20,000 bond issue authorized at the General Election by a vote of 384 to 219. The final plans will be approved by the board within a few days and work will be started early next week.

There will be seven classrooms and a large library in the addition, which will be the second story of the annex built in 1936. When the new part is ready for occupancy pupils will be transferred from the obsolete Goss school, long a target for criticism, to the main building.

Although there is no definite plan for use of the abandoned Goss building, it has been suggested that it be used for shop work by vocational students.

Thrifty Shoppers Look Forward To Luzerne's 'Community Days'

Four-Day Community-Wide Sales Will Start Next Wednesday

Celebrating the opening of their fine new highway, Luzerne merchants will stage a mammoth community-wide sale of up-to-the-minute merchandise during Community Days, starting Wednesday morning, November 15 at 9 and continuing through Saturday.

The event is one of the most ambitious of its kind ever undertaken by Luzerne merchants—and every merchant is co-operating by offering outstanding values in clean, new winter merchandise.

Stores have been renovated, stocks have been coming in for days, the whole town is excited and eager to renew acquaintances and meet again those persons who have not visited Luzerne during the construction of Main Street.

For years Luzerne has been the shopping center for this region. Its stores are among the most attractive to be found in Wyoming Valley and its stocks of merchandise are usually priced lower item for item, than elsewhere.

There are splendid furniture and hardware stores that have built enviable reputations through the years. There are jewelry stores, variety stores and credit stores for the purchase of household equipment.

With its large variety of stores, its wide range of stock, its attractive store fronts, courteous salespeople and genial proprietors who are on the job themselves, Luzerne is bound to play an increasingly important part in the shopping habits of every person who lives in this region. Now with good roads, both to and in Luzerne, and convenient access both by bus and private car it is but a matter of a few minutes for any one to go to Luzerne and shop. There are no traffic jams, no exasperating waits for traffic lights, bothersome parking meters or driving around miles of streets to find a parking place.

In the words of one housewife, "It's easy and it's economical to shop in Luzerne and you can do your buying without wasting a whole day—and if you want to shop at night you can do that, too, because the stores are open until 9.
