7 1/2¢ TO COOK 3 MEALS FOR 4 PERSONS

WITH Electric Cookery

FIGURES can't be denied—particularly figures that are proven day after day in the home. And that's just what's happening in the homes of customers who have changed from old-fashioned to modern electric cookery. They're finding day after day that electric cookery costs considerably less than so many people think it does. And our public demonstrations show the same low costs.

With this proof, why not modernize your cooking now. You'll find the time you save this new way will be particularly useful during the busy holiday season.
