

LEAGUE LEAD AT STAKE IN TONIGHT'S GAME AT DALLAS HIGH

Bowling Notes

It was a dark and stormy night, with the rain turning into sleet, and everyone was hurrying someplace. That was Thursday night, January 14, 1937.

Ten men with a very definite purpose in their hearts were also hurrying towards the St. John's alleys. In one group were Captain Jack Ondish with Kurpis, "Red" Rinks, Joe Gurnari, and Jack Kovacs. At the alleys they were met by reinforcements, John Rahl, Larry Carr and Nick Trusky.

From the other section came Captain John Sobeck with Felix Savage, Frank Bizup, Frank Rinks, Mike Balogh and Frank Tracy. Pete Paluck the Old Iron Horse was late.

Silently they filed into the building, with not one person uttering a word. Old Man Best was waiting for them in his Judge's chair. The clock chimed the hour. It was eight o'clock. Time to start. Who were these men?

Jack Ondish led his boys for Buddies' Men's Shop. Jack Sobeck led his mob for Bon Ton Men's Shop. First place was at stake. The Judge sounded his whistle. The game started. What a night!

The wind howled outside. Bon Tin howled inside for the Buddies were taking all. Amid the silence the procession once more was on its way. Ondish led his men back. Sobeck disbanded his men. The Buddies had won, taking all three games and climbing into the security of first place in the league.

By an eight to two vote, the Merchants' League has elected to carry its season schedule on into another round of nine weeks. This will bring all leagues to finish at the same time. The dissenting votes were cast by Blight Bros. and Spinicci Garage.

The American Bowling Congress Bulletin has cited the Times Major League of Scranton for their pin busting achievement. Our own Wyoming Valley Association officials seem to be asleep in watching the pin busting activities of the local bowlers. The city association just lets things drift along.

Here is one for you. A bowler got nine and a half pins on his first shot. He left the lower half of the five pin standing. In his next shot he got the other half to make his spare.

What's the best way to teach a girl how to bowl?
You stand very close behind her, and, holding her wrist with your hand, you guide all her movements—
Aw, cut it out. It's my sister.
Oh, give her a book of instructions.

Rival Quintets To Open Second Half Of Season

Second-place Township Quintet Meets Leaders In Important Contest

The second half of the Back Mountain League season will open with a loud bang tonight when Dallas Township, which slipped down into second place this week, clashes with the league-leading Dallas Borough quintet in a game which may very well decide the league championship.

The township and borough have been engaged in a neck-and-neck race all season. Their latest tie was broken on Friday night, when Lehman pulled a surprise and toppled the seemingly invincible township quintet, 22 to 21. Dallas Township has been defeated only twice this season, and both times by a one-point margin.

Tonight's game will be played on the Dallas Borough floor.

Kingston Township Loses

Kingston Township bowed to Dallas Township, 44 to 27, at the K. T. H. S. gym on Friday night. J. Knecht and Stockmal again starred for the victors, tallying 25 points between them. Stencil garnered 13 points for the losers.

On Tuesday night Kingston Township lost to Laketon, 43 to 20. The surprise of the week's games was Lehman's triumph over Dallas Township, a victory which knocked the township out of its first place tie with Dallas Borough.

Smith led the Lehman quintet in one of the hardest fought games of the season. Lehman took the lead early and was ahead, 12 to 4, at the half. Lehman's lead was threatened, however, when McCarthy and the two Rusiloskis were ejected on personal fouls in the last quarter, but it was still hanging on to its one-point lead when the game ended.

J. Knecht led the Dallas Township scorers, making 13 points.

Bowling League Extends Season

New Schedule Prolongs Season Until May 22

At a recent vote of the teams of the West Side Merchants' Bowling League it was decided to extend the bowling season another nine weeks. The old schedule called for March 20 as the final night of the season. The new schedule will make May 22 the final night. This scheme will bring all leagues using the St. John's alleys to an end at about the same week.

In the week's games, Spinicci Garage continues to take over all opposition and annexed four points from the St. John's Holy Name. Luzerne Anthracite lost one game to the Larksville Orioles. Ben Sterling's made a clean sweep of their series with the Bileggi Cafe, taking all three games. Grablick Dairy gave the Lipo Insurance a three point lacing and Blight Bros. took two games from the Buddies. J. Shinko and Baker of the Sterling team took all high scoring honors for the league.

Buddies Continue Upward Climb

Jump Three Points In Triumph Over Cigarmen

The teams of the Luzerne Junior Bowling League are closing up the gaps in their point separations.

Buddies' Juniors have again advanced three points on the leaders when they took two games from the General Cigar Boys. Quarteroni Bros. had a tough session with the Central Cafe but emerged the victors with a three point tally in their favor.

The loss dropped the Central Cafe into third place. Kelly St. Market, by taking three points from Al's Barber Shop, jumped into second place. Ferraro Truckers took two games from the Mullay Shoe Repair Girls.

BOROUGH CLAIMS GAME BUT HEARING MAY BE NECESSARY

The outcome of the scheduled Laketon-Dallas Borough game last Tuesday night, claimed by the borough on a forfeit, may have to await a meeting of League officials. J. A. Martin, supervising principal at Kingston Township and president of the League, said yesterday he hesitated to discuss the game until all sides had been heard fully, and intimated that it might be better if representatives of all teams met to decide the question.

Laketon requested a postponement of the game on Tuesday, claiming illness had weakened its line-up. Dallas Borough, which already has two games to make up at the end of the regular season, declined to agree to a postponement.

The usual crowd gathered to see the game and when the Laketon quintet did not appear the Dallas five took the floor and sunk a basket. Then the money was returned to members of the audience and the borough claimed a victory.

Since there are five teams in the league, all with responsibility for observing rules common to all, it is likely a decision will be referred to a gathering from all schools and that the two teams involved will accept the decision of the majority.

Old Hickory To Conduct Shoot On February 24

The Old Hickory Gun Club will hold a shoot on February 24 at 2 at Irem Country Club shooting grounds opposite David Bevan's inn on the Demands Road. There will be refreshments and entertainment for non-shooters.
