## As Boy, Hourigan Worked On Hildebrant Farm Here

Many citizens of the Dallas section are viewing the candidacy of Attorney Hourigan for delegate to the Republican National Convention in the light of a home-town candidacy, since Mr. Hourigan is remembered favorably for his acquaintance, activity and residence in and about Dallas.

As a boy, he worked many summers on the farm of John A. Hildebrant and later his family occupied the home of Jane Hildebrant in Dallas Borough. At the present time he maintains and is devoted to his summer residence at Harvey's Lake.

Mr. Hourigan has enjoyed a long and successful career at the Luzerne County Bar, having frequently appeared in the highest courts. Most recently he was signally honored by the Supreme Court of Pennsylvania by appointment to the State Procedural Rules Committee. In that instance the Legislature waived its right to make rules a practice governing our courts and vested that power with the Supreme Court. This

body, the highest in the State, chose 12 outstanding lawyers of the State to study and draft rules, which were later promulgated by the court. The position of Mr. Hourigan in the profession was illustrated in this appointment when he was chosen on that committee to represent the bars of Northeastern Pennsylvania.

Subsequently he was again appointed by the same court to another committee, drafting the Equity Rules for our courts. This is the first time in his long career that Mr. Hourigan has permitted his name to appear on a ballot, although he has been otherwise always in the van of civic and public-spirited movements.

St. Paul's Lutheran Church will present a musical program in the church on Sunday evening at 7:30 by the Senior Choir of Holy Trinity Lutheran Church of Kingston, under the direction of Mrs. Peter Braadt. Miss Dorothy Turner, organist of Holy Trinity, will play.
