

### LEHMAN

#### Excellent Cast Picked For PTA Play April 26

The Lehman Parent-Teacher Association will present "Go Ahead", a three-act comedy of typical Jewish-American life by Nathaniel Edward Reid, in the Lehman High School auditorium Friday, April 26, at 8.

Cast of characters: Maurice Kopper, a middle class Jew with a first class temper when aggravated by his friend, H. Austin Snyder; Rebecca Kopper, his wife, somewhat severe and haughty in manner, Mrs. H. Austin Snyder; Zorah, his daughter, a pretty dark-eyed brunette, Dorothy Major; Leo Von Vriessheim, his nephew, a young fellow of twenty, Donald Dodson; Jacob Steiglitz, his friend, funny to look at, but, at the same time somewhat pathetic, Clyde Cooper; David, Jacob's son, a good-looking boy about 21, Edward Simpson; Mrs. Blau, the housekeeper, a motherly woman, Mrs. John Sidler; Helen Strauss, a Jewish girl of uncertain age, Eleanor Treathaway; Mrs. Mary Malone, a comical Irish woman about 35, Mrs. Charles Nuss; Daffie, a young maid of 18, pretty and a flirt, Mrs. Clyde Cooper. Mrs. A. M. Major, who has had many years' experience is director.

The play promises to be one of the best given in the Back Mountain section this year. The proceeds will be used to help the high school band, and everyone is urged to show their interest by attending.

The people of Lehman regret the moving of their good friend and pastor, Rev. C. Duane Butler and his family, and wish him much success in his new field of labor at Parsons. They also welcome the new pastor, Rev. Frank Abbott and family to the charge wish him joy in serving the people of this community, and offer their most hearty cooperation.

Mr. and Mrs. C. J. Major had as guests at their home Sunday, Joseph Clouser, and Mr. and Mrs. William Morgan.

Mrs. William Schmoll of Dallas spent Sunday with her sister-in-law, Mrs. Clara Shupp.

Marshall Lamoreaux of Philadelphia visited his family over the week-end.

### Mrs. Mason New Faculty Member

#### Named After Miss Mack Submits Her Resignation

Mrs. Antoinette Coolbaugh Mason has been appointed a third grade teacher in Dallas Borough schools to succeed Miss Charlotte Mack, who has resigned. Mrs. Mason's contract will start at the beginning of the September term.

Miss Mack's resignation was accepted by the school board at its meeting last Friday night. She has been a third grade teacher in Dallas for five years. The board requested T. A. William, supervising principal, to write a letter to Miss Mack, expressing appreciation for her work and co-operation.

Mrs. Mason was graduated from Dallas High School in 1919 and from Bloomsburg State Normal School in 1922. She has taken additional work at the University of Pennsylvania and the Palmer School of Writing. For 15 years she has been a teacher in the lower grades of the Forty Fort schools. Her salary will be \$1,000.

A list of six applicants for high school positions was studied by the board. There are no vacancies in the high school and Mr. William intimated this week that, so far as he knows, there will be no more vacancies in either the elementary grades nor in the high school.

The supervising principal was given authority by the board to reassign teachers to different grades in the elementary school.

### Jones Aspiring To U. S. Senate

#### Democrat Aided Farmer With Super-Highway

Walter A. Jones, Democratic aspirant for the U. S. Senate, has done more to aid the farmers and rural residents of Pennsylvania than any other figure in the history of the Commonwealth, his supporters claim.

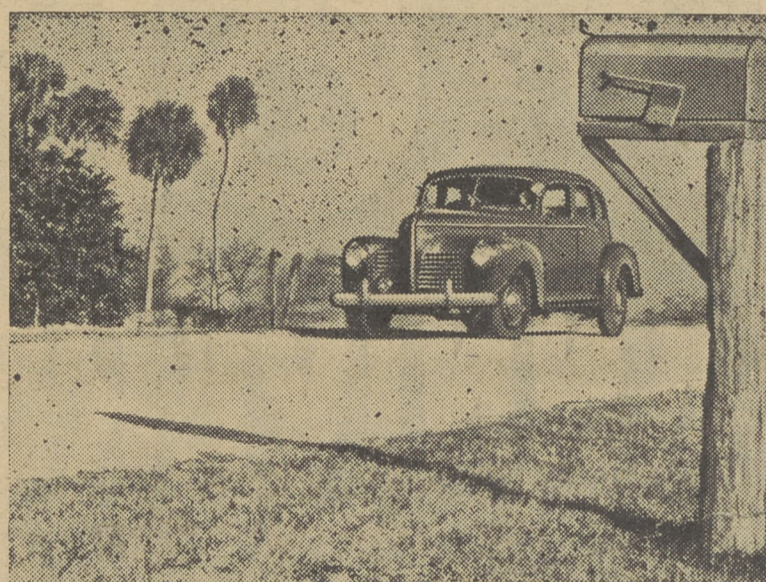

As chairman of the Pennsylvania Turnpike, Jones has practically completed a super-highway from Pittsburgh to Harrisburg and it will be extended to Philadelphia. The highway, which cost \$70,050,000, will be opened in several weeks.

Hailed as the greatest engineering feat in more than 100 years, Jones, the builder, saw the possibilities of aiding farmers and rural settlers with the "dream highway." Adoption of the same plan in other sections of the state, he said, will make the rural residents much closer to the cities and enable them to enjoy privileges now denied them. He points out that lower electrical and water costs will result at once such highways are constructed.

Pennsylvania did not spend one cent on the highway as Jones personally raised the money through federal agencies, which will be repaid over a period of time.

Of Welsh and English descent, Jones' ancestors came to America in 1690. Jones started to work in Brownville as a glass cutter, as an apprentice to his father, who was extremely poor. Through sheer hard work, Jones managed to gain an education by winning scholarships to Ohio Wesleyan University.

### POTASH-FED TOMATOES

*Bring Profits*

**F**IRM, well-shaped, and evenly colored tomatoes find ready sale at best prices. To get the highest yield and quality from your crop, make sure that you apply enough potash. A 10-ton crop uses about 100 lbs. of actual potash (K<sub>2</sub>O), which is more than the amount of both nitrogen and phosphoric acid combined.

Potash makes the plants sturdy and more resistant to diseases. It encourages large sets of fruit, reduces stem-end cracking and culls, improves color, and makes the fruit more firm and meaty. These qualities are very important profit considerations to both the grower and canner.

Use enough high-potash, complete fertilizer on your crop to supply at least 100 lbs. of available potash per acre. Ask your county agent or experiment station how much potash your soil will supply. Then make sure that your dealer sells you a fertilizer containing enough to make up the difference. You will be surprised how little extra it costs. Send for our free booklet "Better Tomatoes".
