Well, Here's Cora Back Again!

I wonder, says Cora, The Aristocratic Cow (right), if you folks know that Mr. Mosier pasteurizes and bottles our milk right on our farm, a stone's throw from our stalls. That's pretty important, you know, because it means a minimum of handling and is just one more guarantee of purity. If you're fussy about cleanliness, like us, it's worth considering.

She was seven days old when Mr. Elicker snapped this picture of her.
