

1941 Happy New Year

Wishing you good fortune all through the coming year, the messages on this page reach you from our local storekeepers. Read them through, and be of good cheer, because every word in them rings as sincere as the New Year bells that usher in 1941. And from this newspaper too . . . we repeat . . . Happy New Year!

Sixty seconds to a minute, sixty minutes to an hour—and for every hour of 1941 we're bringing you happy thoughts.
