

Dallas Borough Visits Laketon As Lehman Meets Dallas Township

Kingston Township And Dallas Borough Lead League In First Of Season Games

TONIGHT'S GAMES
Dallas Borough at Laketon
Lehman at Dallas Township

With standing room at a premium, the crowd at Dallas Borough High School Gymnasium Friday night saw the home team defeat Dallas Township 44-19 in a fast, snappy game from the first to the last shrill blast of the whistle.

The Borough quintet outplayed the Township from start to finish with Price and Niemeyer taking the scoring honors, while Gould stood out with his superior floor work. Jewell and Kelly gave their teammates excellent support and played a nice game.

Bob Moore showed himself an up-and-coming young player when he went into the game to relieve Price. Moore is a sophomore and it was his first game. He was accurate in his shots and showed good floor work.

Mitchell of the Township was outstanding. His work was largely responsible for keeping his team from being completely annihilated.

Girls Lose

Dallas Borough Girls were favored to win. Fresh from a 19-10 victory over the Wyoming Seminary sextet in a game the day before when they held the lead for four periods with Kathleen Bogart taking scoring honors, Coach Morgan's charges looked good to defeat the Township. But the score was reversed. The game was close fought for three quarters when the Township found the hoop to come out of the contest on the long end of a 19-10 score. Grace Mahler was outstanding for the winners while Kathleen Bogart continued her fine work for the losers.

Lehman Game

Lehman's hopes for an undefeated season were shattered when Kingston Township emerged on the top end of a 21-19 score. It was a close fought contest with first one team and then the other surging ahead with scoring points.

Williams and Jenkins did stellar work for the winners, while Chet Dropchinski, a sophomore, played a fine game for the losers. The K. T. H. S. five had height and were able to snatch the ball frequently from the fighting Lehman team. Lehman lost the ball many times when Jones, Lehman cager, showed that he was not fast enough for his comrades.

In the preliminary game, Kingston Township Girls took a 34-5 victory from their Lehman competition.

Mrs. Alice Weaver Is Laid To Rest

Early Vernon Settler Suffers Brief Illness

Funeral services for Mrs. Alice Elizabeth Weaver were held from her home in Vernon Wednesday afternoon with Rev. Thomas F. Kline in charge. Burial was in Miers Cemetery.

Mrs. Weaver was the daughter of Peter and Catherine Snyder, early settlers of Vernon, and had spent the entire 75 years of her life in that community, residing in the old homestead. She took an active part in Centermorland, Chapter Daughters of America who held a memorial service at her home Tuesday evening, and was a loyal worker in the Vernon Methodist Church as long as it was in existence. She was a devoted mother and a good neighbor. She will be sadly missed by her children and grand-daughters whom she brought up as her own after the death of their mother. Her death came as a shock to the whole community for she had been ill for only two days. She is survived by two sons, Ralph and Audrey of Dallas and four daughters; Mrs. Samuel Ammerman of Larksville; Mrs. Minnie Crome of LaGrange and Hanneta and Lela at home.

Pall bearers, all relatives, were: Harry Weaver, Roydon Weaver, Ellis Weaver, Joseph Snyder, Clark Montross and Robert Snyder.

The first church to be built west of the Alleghenies by the Moravians was in West Moravia, Lawrence county.

William Bennett, School Director, Is Buried Today

Death Closes Career Of Devoted Churchman

William Everett Bennett died at his home at 24 Holly street, Trucksville, early Tuesday morning. Although he had been in failing health, it was only during the past month when he was stricken with a heart attack followed by pneumonia that his condition became serious. Death brought to a close the useful life of one of the most loved men in his community, a man who had given much of himself to the church and town in which he had lived for 35 years.

Mr. Bennett was a native of Beaumont, the son of the late Mr. and Mrs. William Bennett. His father died during the serious epidemic which swept that region in 1878, and the son learned the responsibilities of manhood earlier than most youths. He left Monroe township to learn his trade in Wyoming Valley. For more than forty years he continued in the electrical field, the first ten years as an associate in the firm of Shotwell Bennett and Williams Electrical Company of Wilkes-Barre. On the death of his partners he conducted the business alone as the Bennett Electrical Company and with advancing years established his business in Trucksville.

He was devoted to his church and for more than twenty-five years ser-

ved as a member of the official board of Trucksville Methodist church; this year as in years past he would have served as lay delegate to the Methodist Conference. For nine years he was president of the Friday Noon Men's Bible Class of Wilkes-Barre Y. M. C. A. He was a keen student of the Bible and devoted hours to its study. Being a man of practical nature with an inquiring mind, he studied a problem thoroughly before he advanced an opinion. But when he understood it and was convinced of its wisdom, he was enthusiastic in his support. His advice and counsel were sought by many.

His modesty was best exemplified five years ago when he was asked to serve as school director. Mr. Bennett said, "I am too old—I'll die before my term expires" and "I haven't the education to qualify for such an important township position." He steadfastly refused to spend any money to secure the office, but on his election studied every problem thoroughly becoming one of the outstanding leaders on the Board. His term would have expired next year.

COOK FOREST

Cook Forest State Park in northwestern Pennsylvania contains 6,500 acres, preserving the largest remaining stand of virgin timber in Pennsylvania.

Commenting on his death, a neighbor of many years said: "W. E. Bennett was a noble character; he came the nearest to living the ideal life of any man I have ever known—his was an influence for good throughout a lifetime."

Mr. Bennett was a member of many fraternal organizations. Among them P. O. S. of A Lodge of Kingston and the Odd Fellows Lodge of Kingston.

Besides his widow the former Jennie Anderson he leaves two daughters, Esther and Ruth, a son, Sheldon and a granddaughter, Carol, of Trucksville. Also surviving are a sister Mrs. Alice Anderson, and a brother I. L. Bennett of Kingston.

The funeral will be held this afternoon at 2 from Trucksville Methodist Church with services in charge of Rev. Harry M. Savacool. Interment will be in Trucksville Cemetery.
