Bacon Puts Menus On Better Basis

Bacon's the buy; bacon's a bargain; bacon's your best bet; bacon's for boys and beauties! Slogan writers happily sharpen wits and pencils when bacon's the topic, for in this case alteration is but the simple truth!

Each striped strip abounds in energy, valuable proteins, and members of the illustrious Vitamin B family, including thiamine, the healthy-appetite-normal-growth vitamin!

Bacon's the basis for many a meal. Long a boon for breakfast, now bacon stands alone or combines. "Bacon-ands" are liver, sausage, sweetbreads, hamburgers for main course; tomatoes, peanut butter, cheese, pickles, for sandwiching, snacking.

To Prepare Bacon To pan fry: Place slices of bacon in cold pan. Cook slowly and turn to brown evenly. Pour off fat as it accumulates; drain on absorbent paper. To Broil: Spread sliced bacon on broiler rack. Broil 3 inches from heat. Turn to cook uniformly. To Bake: Spread sliced bacon on wire rack. Place in a dripping pan. Bake in a moderate oven (375 degrees F.) for about 15 minutes or until brown and crisp. It usually is not necessary to turn.

Three B's Entree (Baked Beans and Bacon) Turn 2 cans of baked beans into a casserole. Top with 9 or 10 slices of bacon. Bake in a moderate oven (350 degrees F.) until beans are heated through and bacon is crisp and brown (15-20 minutes). Serves 4.

Down South Casserole (Bacon, Apples, Sweets) 4 medium sized sweet potatoes 2 apples 1/2 lb. sliced bacon Wash potatoes and boil in salted water until soft (20-30 minutes). Peel and arrange in greased casserole or baking dish. Core, pare and slice apples and place between potatoes. Arrange strips of bacon on top. Bake in moderate oven (375 degrees F.) about 25 minutes, until bacon is crisp. Baste occasionally with bacon fat. Serves 4.

Bacon-Vegetable Dinner (Fancy but Frugal) 2 lbs. spinach 3 carrots (sliced) 18 potato balls 3 tbsps. bacon fat 3 tbsps. flour 1/2 Teaspoon salt 1 1/2 cups milk 1/2 lb. bacon, sliced Cook spinach, carrots and potato balls (separately) until done. Make cream sauce of bacon fat, flour, salt and milk. Broil or pan-fry the ba-

con; drain and chop half of it, keeping remainder hot. Add chopped bacon to white sauce. Arrange cooked vegetables on hot platter with crisp bacon slices. Pour sauce over spinach. Serves 4.

Bacon-Griddle Cake Pie (Try it for Sunday Supper) 1 1/2 cup flour 1 teas. salt 3 teasps. baking powder 2 tbsps sugar 1/4 teas. cinnamon 2 eggs, well beaten 1 1/2 cups milk 1 tbsps. melted butter 1 cup chopped tart apples 1 lb. bacon

Sift flour, measure, and resift twice with salt, baking powder, sugar and cinnamon. Combine beaten eggs with milk, melted butter and chopped apples; add flour mixture and beat until smooth. Bake on a hot lightly greased griddle, allowing about 3/4 cup batter to each cake; turn only once. Stack pancakes 5 or 6 high; keeping hot in warm oven. Spread butter and brown or maple sugar between cakes. Lay crisp pan-broiled bacon on top of each. Serve with additional bacon.

Lamb-Bacon Whirls (A Ringer for Main Course) 1/2 lb. sliced bacon 1 1/2 lbs. lamb shoulder, ground 1 teas. salt 1/4 teas. pepper 1/4 teas. marjoram 1 tbsps. Worcestershire sauce 1 cup bread crumbs 3 tbsps water Arrange bacon slices to slightly overlap in a sheet 8-10 inches long. Mix lamb with salt, pepper, marjoram, Worcestershire sauce, bread crumbs and water. Spread over sheet of bacon; pat even. Roll as for jelly roll so that ends of bacon are rolled in. Wrap tightly in waxed paper; chill thoroughly. Before slicing, place toothpicks through roll at 1-inch intervals to hold bacon in place. Cut in one-inch slices. Place in heavy frying pan. Brown on one side, then on other. Reduce heat and turn meat as often as necessary to insure even cooking. Pour off fat as it accumulates. Pan-fry for 15-20 minutes. Serves 6, nicely.

Bacon Brevities... Crumble crisp, cooked bacon into meat loaves, white sauce, tossed green salads, rarebit, for a touch of extra-good flavor... Make "bacon curls" by cooking bacon not-too-crisp, winding around knife blade while warm... Dream up a new kind of "cheese dream" by putting slices of cooked bacon, then cheese, on slice of bread and broil.
