TONIGHT'S GAMES

Lehman at Laketon
Kingston Township at Dallas Township

The undefeated basketball team of Dallas Borough was again the victor Friday night when it topped Laketon 34-29. The Borough, not taking the Laketon quintet seriously, was surprised when Laketon started the game with a barrage of passing and shooting that brought the score to a 7 all tie as the whistle shrilled ending the first quarter of play. But the Borough, controlling its nerves, built up a 10-point lead at the half which was soon relinquished as play began in the third period. Laketon, not disturbed by the spirited play of the Borough in the second period, started to play a game of straight basketball to lead the Borough quintet. The Borough, however, has a reputation this year for giving the fans their money's worth. It put on a fine brand of basketball in the last quarter to outplay any team in the Back Mountain League. This is what happened to Laketon. The Borough put on a flashy finish and came out of the game on the top end of a 34-29 score.

The Laketon team had Coach Tinsley's pivot men guarded very close as well as Bruce, the Blitzkrieger. Gould, forward of the Borough, then stepped into the Blitzkriegers shoes and proved to the fans, as well as the Laketon quintet, that he could wear them at any time, as he tallied 12 counters. Niemeyer and Jewell sank some long shots very seldom seen on a basketball court. Kelly the plugging center, of the Borough played a nice defensive as well as offensive game.

Cadwalder and Garrity played outstanding games for the Laketon cagers each tallying 12 pointers.

Lehman vs. Dallas Township
Lehman and Dallas Township played a hard but terrible game on the Lehman court Friday night. The passing and shooting of both quintets were off, as was proven when the first few shots of the game did not even hit the backboard. Lehman was without its star, Rusilosky, and Dallas Township played without Selza. Dallas Township went into the lead in the early minutes of play and stayed there throughout the game. Brown and McCarty, guards of the Lehman quintet, played the outstanding game for Lehman, while Mitchell, forward, and Morris, guard, were outstanding for Dallas Township.

Girls' Games
Dallas Township girls were victorious in a game that ended with a score of 34-11.

Dallas Borough girls proved the world is wrong. They played a hard fought game Friday night and came out the winners over Laketon. Kathleen Bogart played the outstanding game for the Borough.

Veal Price Up

Top veal prices soared to a new high level at the weekly Farmers' Auction at Nicholson last week. Hog prices also showed a slight advance. Top veal brought \$13 per hundred while good calves sold for \$11.75 to \$12.10 and common vealers brought from \$9 to \$10.50. Heavy chickens brought 18½¢ to 21¢. Large eggs brought 20¢ to 22½¢ per dozen, and potatoes sold for 60¢ to 65¢ per bushel. Hogs, 300 to 500 pounds brought \$8.60 to \$9.00.

LOUIS AND DORAZIO SQUARE OFF

Reports that Joe Lewis is slipping are premature. The heavyweight champion demonstrated he still is a killer by knocking out Gus Dorazio with one punch—a terrific right cross that landed flush on the "button"—in 1:30 of the second round of a scheduled 15-round championship bout at Philadelphia Convention Hall Monday night. Here they are shown squaring off right after the bell.

Kingston Township Drops Two Players From Varsity Line-up

Garris And Heale Violated P. I. A. A. Ruling By Playing With "Pick-up" Team

Ralph Heale and Ralph Garris, any of the teams representing a school can engage in the same sport with another team.

This ruling is approved by coaches, players and athletic authorities because it prevents professionalism and forestalls players leaving one school to enter another simply for athletics. It was for a similar infraction of the same rules that Dallas Township High School barred one of its veteran players early in the current season. "All players," officials of the League pointed out, "are acquainted with this ruling when they are given a thorough grounding in P. I. A. A. regulations early in the season." "If," they said, "Gar-

ris and Heale played with another team they knew when they played that they were violating a P. I. A. A. ruling and jeopardizing their school's reputation in the League."

James Martin, supervising principal of Kingston Township schools declared, "Of course we suspended Heale and Garris from our basketball team just as soon as we learned of the violation of rules." Mr. Martin said, "We have athletics in the schools to teach boys and girls good sportsmanship, co-operation and citizenship. A player who will violate the rules is not a good citizen of our school."

To Organize Scouts

A Senior Girl Scout Troop will be organized Monday evening at the home of Miss Gloria Chance on Harris Street, Fernbrook. Misses Jane Case and Margaret Gerlach will be the lieutenants. Girls over fifteen years of age are invited to join.

YOUTH AND COMPANION NARROWLY AVERT DEATH FROM CARBON MONOXIDE

James Harris, 26, son of Jacob Harris, Alderson-Kunkle road, and his companion, Regina McKenzie, 23, of Wilkes-Barre, had a narrow escape from death by carbon monoxide fumes, Sunday night about 11 when they sat in a parked automobile on West Ross Street, just off busy South Main Street, waiting to meet a sister and friend. Screams of the sister when she saw their unconscious forms brought assistance from passersby, policemen, fire department pulmotor squad, and Dr. E. M. Griffith. Physician and firemen worked over the unconscious couple for fifteen minutes. Police said the automobile heater and motor were running and windows were down when the couple were discovered. Harris is employed at Hotel Sterling. A loose exhaust manifold or defective muffler were said to be the cause of the near tragedy.

Museum Planned

Architect F. Arthur Rainhard, of Williamsport, has been commissioned to draw plans for a Sullivan County Historical Museum to be erected at LaPorte. The proposal calls for a main building 30x40 feet and wings each 18x20 feet. Total floor space will be 2,000 square feet. The building will be erected with WPA funds and will be located across the Public Park from Sullivan County Court House.

God Bless You, Monsieur John Bull, for You Have Given Us Life!

THIS is "Mademoiselle from Armentieres" speaking to you, and thanking you from the bottom of her heart.

You see, John Bull, we French children were brought up to believe in the everlasting friendship between your race and ours. It was at once our hope and our faith...

Outnumbered, hemmed in from the north and the south, our country torn by internal dissension, French soldiers suffered cruel defeat and disaster. All the heroism and sacrifice of the Marne and of Verdun in the last war was in vain.

We were conquered. Then came the lack of food... the menace of slow starvation... of stunted bodies and famished brains... for we were hungry, desperately hungry.

The Light that was France was fading... dying.

Then came the news that you, John Bull, were struck with compassion and mercy... that you have agreed to shipments of vitamins and milk for us children.

And this news was appreciated tenfold, for we know that you are in great trouble yourself... that you are fighting desperately for your very salvation, yet you did take time for us.

So now we look up again, the light of hope in our eyes, the wills of our mothers and fathers revitalized, strengthened, electrified by the simple fact that we need not starve... we children.

Thank you, John Bull... and God bless you!

Proud are we A. E. F. Veterans of the part we have played—however small—in the movement of compassion toward the French

children... Maybe it contributed something to Britain's decision to permit milk and vitamins to pass the blockade, so that the destitute children of unoccupied France need not starve!

Proud are we of British compassion and mercy—and thankful for it.

We salute our great General John J. Pershing, who joined forces with us, and gave us the power and the prestige of his name.

We thank the thousands of people who heard our call, and sent money to the Good Quakers, who already have over fifty self-sacrificing workers in France, feeding more than 30,000 children.

Once again we publish this appeal. Send whatever you can afford—nothing is too small, and nothing too large.

Right now there is no greater act of mercy you can perform—no greater suffering of innocents you can relieve.

And know that every penny you can spare will go directly to relief, with nothing subtracted for any expense of ours, of any kind.

Our own contribution to the cause is the cost of printing this appeal, for all expenses have been paid by us, and a few of our friends.

Please send your contributions directly to the Good Quakers, at the following address:
AMERICAN FRIENDS SERVICE COMMITTEE, 20 SOUTH 12TH STREET, PHILADELPHIA, PA.

We thank you for the lives you will save!
