**Senior Student Dies In Sleep**

**Charles Kunkle Will Be Buried Today**

Charles Dennison Kunkle, a senior student at Dallas Township High School and clarinetist of the school band, died Tuesday night at the home of his parents, Mr. and Mrs. Olin Kunkle of Kunkle, after a two-day illness. He was seventeen years of age.

Charles had been a chronic sufferer from asthma for the past five years experiencing periodic severe attacks which responded to medical treatment permitting him after a few days to go about his normal pursuits on the farm and at school.

On Monday night at 11 he was stricken with another attack and was apparently making a good recovery until he died in his sleep Tuesday night at about 11:30. His mother found him dead when she went to his room to attend him at one o'clock.

Charles was popular with his classmates at Dallas Township school where he had been a member of the band for a number of years and where he was also a member of Anthracite Chapter Future Farmers of America. He served as an air raid warden in Dallas Township. He was a member of Kunkle Methodist Church and of the Sunday School. During the past summer he assisted his father on the farm and helped neighboring farmers with their work. He was born in Kunkle July 25, 1925, and had lived there all his life.

Beside his parents he leaves a sister, Mrs. William Frederick of Shavertown; his grandmother, Mrs. Frank Smith, and an aunt, Miss Margaret Kunkle.

The funeral will be held Friday afternoon at 2 from the late home with members of the Senior Class of Dallas Township schools attending in a body. Services will be in charge of Rev. David Morgan, pastor of Kunkle Church. Pallbearers will be Robert Ashburner, Robert Hess, Lawrence Smith, Guy Rothery, Carl Kunkle and Donald Smith. Interment will be in the family plot in Warden Cemetery, Dallas.

**Lovely Handwork Brightens The Home**

In times like these, we want more than ever to maintain the beauty of our homes. Attractive and useful household adornments can be crocheted easily and inexpensively. The table runner of Cluny design is truly lovely, and forty easy-to-make motifs will form the completed runner. The footstool covering is new and different in crochet that looks like exquisite needlepoint. Only 6 balls of pearl cotton are required for the footstool. Directions for both these designs may be obtained by sending a stamped, self-addressed envelope to the Needlework Department of this paper, specifying design No. 1909.

**"What's it good for?"  
"Guns, tanks, and maybe part of a plane"**

**In the attics and cellars of homes, in garages, tool sheds, and on farms, is a lot of Junk which is doing no good where it is, but which is needed at once to help smash the Japs and Nazis.**

Scrap iron and steel, for example. Old radiators, lengths of pipe, refrigerators, garbage pails, broken garden tools...

It may be rusty, old "scrap" to you, but it is actually refined steel, with most impurities removed—and can be quickly melted with new metal in the form of pig iron to produce highest quality steel for our war machines.

Even in peacetime our Nation relied on scrap to provide about 50% of the raw material for steel. Now production of steel has gone up, up, UP, until today America is turning out as much steel as all the rest of the world combined.

But unless at least 6,000,000 additional tons of scrap steel is uncovered

promptly, the full rate of production cannot be attained or increased; the necessary tanks, guns, and ships cannot be produced.

The rubber situation is also critical. In spite of the recent rubber drive, there is a continuing need for large quantities of scrap rubber. Also for other waste materials and metals like brass, copper, zinc, lead, and tin.

America needs your active assistance in rounding up these materials. The Junk which you collect is bought by industry from scrap dealers at established, government-controlled prices.

**Will you help?**  
First—collect all your waste material and pile it up.

Then—sell it to a Junk dealer, give it to a charity, take it yourself to the nearest collection point, or get in touch with your Local Salvage Committee.

If you live on a farm, consult your County War Board or your farm implement dealer.

**Service Mothers Sponsor Tea At Home Of Mrs. H. H. Uskarait**

Service Mothers' Tea held at the home of Mrs. H. H. Uskarait, 50 Mt. Greenwood Road, on Wednesday afternoon, was very well attended. A brief program of entertainment was enjoyed by all. Beatrice Lacey Williams gave several readings.

Mrs. Fred Williams read the names of the boys from this community who are serving our country. Paul and Carl DeWitt and Hubert Boljne gave several selections on the cornet, trombone and mellophone. Miss Norma Walters, of Trucksville, composed a poem entitled "A Mother's Prayer in Wartime," which was impressively read by Mrs. Herbert Williams. A dainty and delicious lunch was served, the mothers donating an assortment of home-made sandwiches and cookies.

The serving table presented a very pretty picture with a huge centerpiece of red, white and blue asters, and red, white and blue candles at each end of the table. Red, white and blue mints and salted peanuts were also served. Favors were small American flags. Mrs. Jane Lohman and Mrs. Herbert Uskarait poured.

A silver offering was taken and a neat sum was realized. The committee feel very grateful to those who attended and also to those who in any way helped to make the affair the success it was. The following ladies attended:

Mesdames Robert F. Bachman, W. E. Bennett, L. F. Brown, Christine Carter, Stanley Case, Leo Carey, Leon Dalley and Richard, George Davis, Herbert DeWitt and Georgine, Albert Clifford, Dana L. Edwards and Faith Elaine, E. W. Evans, S. D. Finney, Cedric Griffith, Albert G. Groblewski, Jr., C. F. Haskins, Herbert Jenkins, B.
