

Huntsville Christian Church To Celebrate 99th Anniversary

Plans were made for celebration of the 99th anniversary of the founding of Huntsville Christian Church at a meeting of the Official Board in the church Tuesday evening. Though a whole week of special services have commemorated the anniversary in the past few years when oldtimers came from far and near to share in worship, gas-line and tire shortage will confine the activities to two evenings this year, Thursday evening, October 15, and Friday, October 16. Rev. Franklin Payne, pastor, will deliver the sermon at the special service Thursday evening and the annual turkey dinner and get-together will

be held Friday evening. Committee members for the annual Thank Offering were named at Tuesday's meeting and plans to install a new service flag given by Rev. and Mrs. Franklin Payne were discussed. Mrs. Ralph Frantz, Mrs. Francis C. Culp and Mrs. Nelson Garinger will serve on the committee. The service flag which replaces the old one with the names of only three boys is large enough to hold the names of the six boys now in service and others to come. Boys whose names are listed are William Price, Lewis Culp, Alfred Davis, Robert Price, Alvah Jones and Charles Moore.

G. L. F. Members In Two Areas Plan Meetings

Both Will Discuss War-Time Problems Now Facing Farmers

George Rice of Dallas, committee chairman, has announced that the annual meeting of local G.L.F. patron-members will be held at the Kunkle Community Hall, Wednesday evening, October 7th, at 8:15 o'clock.

The program, Mr. Rice said, will include the election of two members of the local patron's committee to succeed M. C. Miers and W. S. Kunkle, both of Dallas R. F. D., whose terms have expired.

F. A. Naegely, G.L.F. district manager, will report on the past year's business, following which announcement will be made of the amount and form in which the 1942 patronage dividend will be paid farmers.

One of the features of the meeting will be a discussion of wartime problems faced by farmers and what they are doing to meet them.

"All members of the family are invited to the meeting," Mr. Rice said, adding that entertainment and refreshments will be provided.

In addition to Mr. Miers and Mr. Kunkle, other committee members working with Mr. Rice in planning and preparing for the meeting are Thomas Earl of Wyoming, Ralph Elston and Arthur Gary, both of Dallas.

Noxen Meeting

A similar meeting for Noxen and vicinity patrons has been announced by Albert Casterline, committee chairman, to be held at Colonial Tea Room on the same night at 8:15. Two members of the local patron's committee to succeed Mr. Casterline and William Munkatchy, whose terms have expired, will be elected. Other committee members working with Mr. Casterline and Mr. Munkatchy in planning the meeting are: John Hildebrand of Dallas, Charles Clark of Alderson, and Lester Crispell and Elmer Crispell of Noxen.

Bloomingsburg Fair, attracting record crowds since it opened, will continue through Saturday night. For the convenience of those busy in the daytime all exhibition buildings will be open until nine o'clock at night so that all visitors will have an opportunity to view the 40,000 exhibits in support of the fair theme, "Food for Freedom."
