

U. S. Tanks Ride More Safely on These New Pontons

In all quarters of the globe U. S. Army engineers are throwing ponton bridges across streams to carry the troops and equipment of the fighting forces. This new ponton has been developed with turned up edges to give more stability to the ponton and to prevent capsizing. Heavy tanks can pass over the bridges made of these pontons without fear that unequal distribution of the load will cause the pontons to turn over. They are longer than the original pontons used and the turned up ends add a great deal to the carrying capacity and to the stability. They were engineered as the result of actual war time experience and are being built for the army by The General Tire & Rubber Company.

Staff Sergeant Lewis Culp has been transferred from Camp Crowder to Camp Blanding, Florida.

Lester Hoover, son of Mr. and Mrs. Elmer Hoover of Idetown, left Wednesday for service in Uncle Sam's Army.

Glenn Ehret, with the Ordnance in Fort Knox, Kentucky, has been made Corporal Technician. Mrs. Arthur Ehret of Lehman received a telephone call from him from Ohio where he spent the weekend.

Velton Bean, Fireman Third Class, U. S. Coast Guard, has returned to Perth Amboy, New Jersey, after spending a few days' leave with his wife and parents in Ceasetown.

Marine Gunner David H. Jenkins, Parrish Street, has been assigned to New River, N. C., as a member of the Officers' Indoctrination Course. Graduation from the course comes after six weeks of concentrated study and training, including scores of hours in field combat maneuvers as well as class rooms. Graduates are assigned to combat units or specialist posts.

Mr. and Mrs. John Polachek of East Dallas have received word from their son, Pvt. Francis Polachek that he arrived at Fort Bliss, Texas, after being sent from New Cumberland. This is their second son serving in the armed forces. The other is S/Sgt. Michael Polachek USMC now stationed at Cherry Point, N. C. Francis wrote that there were several other boys from the Back Mountain also in Fort Bliss.

Pvt. R. C. Johnson, Jr., Fort Jackson, South Carolina, has been promoted to Corporal. He is the son of Mr. and Mrs. Ralph Johnson of Lehman.

Air Cadet Walter Lewin has sent us an attractive postal card made from Florida Cypress wood. Walt says he is having a swell time, taking the air corps seriously and will write again as soon as he is settled in his new base.

George Frederick Schmoll, son of Mr. Ragnerd George Schmoll, R. D. No. 3, Wyoming, Pa., recently graduated from the Aviation Machinist's Mate School and was promoted to Aviation Machinist's Mate, 3rd Class.

He enlisted in the Navy, July 28, 1942, and was sent to Newport, R. I., for indoctrinal training before being transferred to the Jacksonville Station.

Now a qualified aviation mechanic Schmoll will probably be assigned to a Naval air unit for further duty.

Word has been received that PFC Carl Carey, United States Marine Corps, has arrived safely at his post

in San Diego, California. Soon after he left Trucksville where he had been spending a furlough after receiving wounds on Guadalcanal his parents received notification from the Marine Corps that his furlough had been extended. They were unable to reach him because he already was on his way to California.

His new address is Casual Detachment, M. B. Camp Elliott, San Diego, Calif.

Oliver Pheby returned last week from Fort Ord, California, where he has been stationed with the Engineer-Amphibian Command, more popularly known as the Cape Cod

Commandos. Oliver was mustered out of service because he was over the 33-year age limit. He received his military training at Camp Edwards on Cape Cod, at Camp Campbell, Florida, and at Fort Ord. Before entering the service he was employed in a defense plant in Philadelphia.

NO FOOLIN' APRIL 1st 1943

Pop's Going to Hit the Ceiling!!

And so are the subscription and newsstand prices of The Dallas Post. Our financial experts—prodded by Martha and Myra and the paper houses—have been working overtime to avoid this violation of good sense. But what ya' gotta do, ya' gotta do; so up go prices on April 1st!

It has been a momentous decision without the CIO to back us... a friendly nod from the War Labor Board... or a Little Steel Formula to guide us, so we've decided to apply our own Big Steel Formula and hike the price to \$2.50 a year on April 1st.

Originally our demands were more ambitious. We'd hoped to protect our social gains by writing into the contract a demand for 1,000 gallons of gasoline a month, three Sugar Books, a pair of gum boots and a case of tomato juice. But Bill Green and John Lewis said we'd never get it, although it might be "O. K." for bargaining purposes.

Poor Pop, he always hits the ceiling too late!
