"ON THE NEW HIGHWAY"

'Grandma' Avery Of Claude Street Victim Of Stroke

Eighty-One Years Old; Life-Long Resident Of Back Mountain Region

Mrs. Anna Avery, known to most folks as "Grandma" Avery, died Tuesday morning at her home on Claude Street, the victim of a stroke and cerebral hemorrhage. She had complained of not feeling well for several months but was not bedridden until three weeks ago.

A farmer's daughter and a farmer's wife, she was born to Joseph and Elizabeth Hess Lord of Orange on September 17, 81 years ago. She attended Franklin Township schools. Almost sixty-five years ago she married Mr. Avery. They had three children, Dory, Sam and Myrtle. "Grandma" Avery lost two of her family in 1911, her husband and her only daughter. Following the death of her husband, she moved into the little home on Claude St., and there she lived with her son Dory, until her death.

An example for every modern girl to copy, "Grandma" Avery was full of vim and vitality right up to her last days. She baked, took care of the house, did her washing, ironing and mending, and, in her spare time, read the papers or worked on one of her quilts. A great lover of flowers, she took much pains in raising her potted plants, especially one petunia given to her two years ago by Ray Shiber, which is fully a foot and a half high and covered with delicate pink blossoms.

Surviving besides her two sons, Dory at home and Samuel of Luzerne, are one grandchild; five great grandchildren; four brothers, Jake of New York; Sam of Dallas; Christopher of Williamsport; and Zura of Hudson; a sister, Mrs. Frank Sorber of Kingston, and several nieces and nephews.

Funeral services were held yesterday from the Brickel Funeral Home, in charge of Rev. Austin L. Prynn of the Dallas Methodist Church. Burial was in the Warden Cemetery.

Plan To Erect New Honor Roll

It's The Spirit, Not Location That Counts

"It's the spirit behind an honor roll that counts and not its elaborateness or location." This was the opinion expressed Wednesday night at a meeting of committees of the Ladies' Auxiliary of Trucksville Fire Department who have worked long and hard to raise the money to erect a suitable honor roll in front of the fire house in Trucksville.

Plans for the honor roll originated last November and in December members voted 38 to 10 to erect it near the building which they are endeavoring to transform into a community center. They have raised the money to pay for the honor roll and they have raised almost enough money to remodel the building at the close of the war so that it can be a fitting memorial to the men and women who have served in the conflict.

Recently there has been some opposition to the location selected but the Auxiliary feels that the community will appreciate its position. The fire hall is the community center. There, everybody votes on election day and there, too, the honor roll will belong to the community.

Sincere friends of all concerned believe that the honor roll should be erected as originally planned and that all will unite behind the plan to make it as beautiful and effective a tribute as possible.

Smith Enters Foreign Service Of Red Cross

Harry Lee Smith, former advertising manager of The Dallas Post, has been selected for foreign service as a field director of the American Red Cross and will leave Sunday for Washington, D. C., where he will take an intensive course preparing him for his new duties.

Mr. Smith is the son of Mrs. William Smith of Gates street, Wilkes-Barre, and a nephew of Mrs. H. H. Zeiser of Dallas. His wife is the former Dorothy Habblett, sister of Mrs. Theodore Hinkle of Kingston Township.

Mr. Smith attended Duke University and has been active in Masonic work and the Shrine and is president of the Lockhart Club.

Blackout Before April 1

The first state-wide surprise air raid drill under Pennsylvania's new warning system will be held some time before April 1. The drill will include mobilization of the Citizens' Defense Corps and manning of all control centers with special exercises simulating incidents and messages.

Township Tests Four New Sirens

Newman Named As Sector Warden

Highly successful tests of four air raid sirens temporarily installed in Dallas Township were made Wednesday noon by Paul Shaver and members of the Dallas Township Council of Defense.

The wail of the sirens was clearly heard in all parts of the township by observers who telephoned their reports to John Yaple, chairman.

The sirens have been installed at Dallas Township High School; at Fernbrook on property owned by Marty Walsh; at Honeybrook Farm on the DeMunds Road and at Shady Side Dairy in the Kunkle Section. Each of the Federal sirens cost \$45-50. Three were purchased by the supervisors and one by the school board.

At a meeting of the Township Council of Defense on Sunday, Arthur Newman was appointed to replace Earl Layaou who recently resigned. Three other new members were: Harold Flack, Fred Hughey, and Arthur Kiefer. Mr. Kiefer will have charge of the organization of messenger service in the township.

Howard Hallock Will Lead Band

Youngsters Happy Over His Decision

Jubilant because their old director, Howard Hallock, has consented to lead them for the remainder of the year, every member of Dallas High School Band turned out for rehearsal Tuesday night wreathed in smiles as they greeted the man who organized their band. Mr. Hallock will continue to hold rehearsals every Tuesday night and may later add another night a week to the schedule.

Previously he had told members of the Band Parents' Association that he would be unable to take over the direction of the band because of heavy demands upon his time as director of Kingston High School Band and because his health was none too good. Later, however, Mr. Hallock reconsidered and told members of the Association that it was better for his peace of mind and health, too, to direct the band than to "sit at home and worry about it."

Mr. Hallock has a genuine affection for the local organization which is reflected in his willingness to do everything possible to hold the band together and to prepare it for a concert sometime this spring. That the same genuine affection is held for Mr. Hallock by the youngsters who first learned music under his teaching goes without saying.

THRIFTY PEOPLE APPRECIATE THE POST CLASSIFIED ADS

KUNKLE

Mr. and Mrs. James Traver were Sunday dinner guests of Mr. and Mrs. Sheldon Whispell.

Sheldon Mosier called on his aunt, Miss Blanche Mosier on Sunday.

Mrs. Anne Richards entertained over the weekend Mr. and Mrs. Paul Richards, Mrs. Alden Dietz and daughter, Nancy of Beaumont, Mrs. William Felter and daughter, Marian of Philadelphia, Mrs. Ralph Lutes and son, Richard, of Endicott.
