

THE OUTPOST FROM CAMPS AT HOME

(Continued from Page Two)

Dear Editor: Just a line to let you know I have a change in address. I arrived here last night and I am writing you first so I'll be sure and have the paper. I know I'll miss it and don't want to miss a paper, if I can help it.

This is all I have time to write now, but I do hope I can find time to tell you what I am doing here later on.

Before I close, I want to thank you for the paper and keep them coming.

As ever, Sgt. Larry Yeager, Robins Field, Ga.

Yea, boy. Nice to hear from you, Larry, even if the letter is short. Can't imagine Georgia being as pleasant as Venice Air Base, in Florida. Everything seems to be under control at Harvey's Lake.

Being Fitted

Dear Mr. Risley: Just a few lines to let you know of my change of address. I am now a full-fledged aviation cadet. I am going to Flight Preparatory School at the University of Wesleyan.

I got my new cadet issue today. Boy, they are really swell. Also I got measured for a tailor-made dress uniform. I will have lots of studying to do here for several months.

Air Navigation is the most important and difficult. I will also have code, plane recognition, mathematics, physics, physical education and many others. We live in regular college dormitories, and travel several blocks to class.

Yours truly, A/C Ed. Tutak, Jr., V-5, N. F. P. S., 2A-44, Stuyvesant Hall, Delaware, Ohio.

Eddie, you ought to be here. There'll be great doings. Dallas Township and Dallas Borough are in a play-off for the Back Mountain title. If the Borough wins, you can wear that dress uniform on your next visit home. If it loses, just wear fatigues.—Editor.

Classmates At Camp

Dear Editor: It's been some time since I wrote last, but I hope you will understand. I just finished reading this week's Post and discovered Roy Schultz was at this same camp. His address wasn't included. Can you give it to me? I used to go to school with him, back at Laketon.

We are going to start on maneuvers some time this week, so my address will change once more. There isn't any address coupon in this week's Post, so I'll put it in this letter.

In closing, I wish to thank you for sending a swell paper and hope it keeps coming.

Sincerely, Cpl. Kenneth Kocher, c/o Postmaster, Shreveport, Louisiana.

Roy's address is 2nd Bn., 188th Inf., Camp Polk, La.

Beware Coughs from common colds That Hang On

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Contact For Service Men

(Continued from Page Two)

A cablegram was received last week by Mr. and Mrs. Herbert Williams, of Carverton Road, from their son, Flight Officer Herbert Williams, Jr., saying he had arrived safely overseas and was in good health. The Williams also have a son, Pfc. Ralph Williams, in the U. S. Marine Corps, last heard from in Hawaii; and a son, Loren, in the Engineers Corps, at Fort Belvoir, Va.

Staff Sgt. Edward Richards is spending a 30-day furlough at the home of his parents, Mr. and Mrs. John Richards, of Rice street. Eddie is in the Army Air Corps and has been stationed in Trinidad, British West Indies, for the past 25 months. His brother, Staff Sgt. John Richards, has been in the Allentons for the past 18 months.

Aviation Cadet Edgar S. Brace, Jr., son of Mr. and Mrs. Edgar S. Brace, Sr., of Lake street, recently arrived at Stewart Field, Newburgh, New York, to start a nine weeks' advanced training course in twin engine flying. Upon completion of his flying training at Stewart Field he will receive his wings.

THE LOW DOWN from HICKORY GROVE

You know, for years now, we been electing everybody, from the school board in Coyote county, to the keeper of the wampus there at our Nation's Capital, on a "spend for prosperity" platform. The idea has been that the fellow who could shovel out the most money, got the biggest job.

We have been pouring money into everything from public playgrounds at every crossroads. To operate all the projects, we have enough folks in just social up-lift and recreation experts teaching our youngsters how to play leap-frog, to provide the nation with a nice peace-time standing army.

But there is a gleam of hope. It comes from Milwaukee. Milwaukee has just announced that she is out of debt. Imagine that—a city out of debt. City councils, county commissioners, etc., far and wide, unless they expect soon to hear the Sheriff and his auctioneers coming up the front steps, had best copy Milwaukee.

Moral: Milwaukee sips beer, not champagne. Yours with the low down, —JO SERRA.

POET'S CORNER

The Blanding Bayonet

Cpl. Ed. Fielding has sent us a copy of the Bayonet, tabloid publication of the infantry replacement center at Camp Blanding, Florida. We especially liked the masthead with its slogan, "Take it (the bayonet) and follow me". Also enjoyed the following poem:

BATTLE OF BLANDING

This is the Battle of Blanding, Of seven weeks of hell; Of weather uncertain And feet that are hurtin' And men that are always broke.

This is the Battle of Blanding, So simulate while you may; You simulate loading And even exploding, So simulate, soldiers, today.

This is the Battle of Blanding, Of seventeen weeks of hell; But think of the chaps Out fightin' the Japs And then—by golly! it's swell. —Pvt. Arthur L. Snover, Co. A, 229th Bn.
