If You Suffer 'PERIODIC' **FEMALE PAIN**

**With Its Weak, Cranky, Nervous Feelings**  
If at such times you, like so many women and girls suffer from cramps, headaches, backache, distress of "irregularities", periods of the blues — due to functional monthly disturbances — Start at once — try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous not only to help relieve monthly pain but also accompanying tired, weak, nervous feelings of this nature. This is because of its soothing effect on one of woman's most important organs. Taken regularly — Pinkham's Compound helps build up resistance against such symptoms. Follow label directions.

**Beware Coughs from common colds That Hang On**

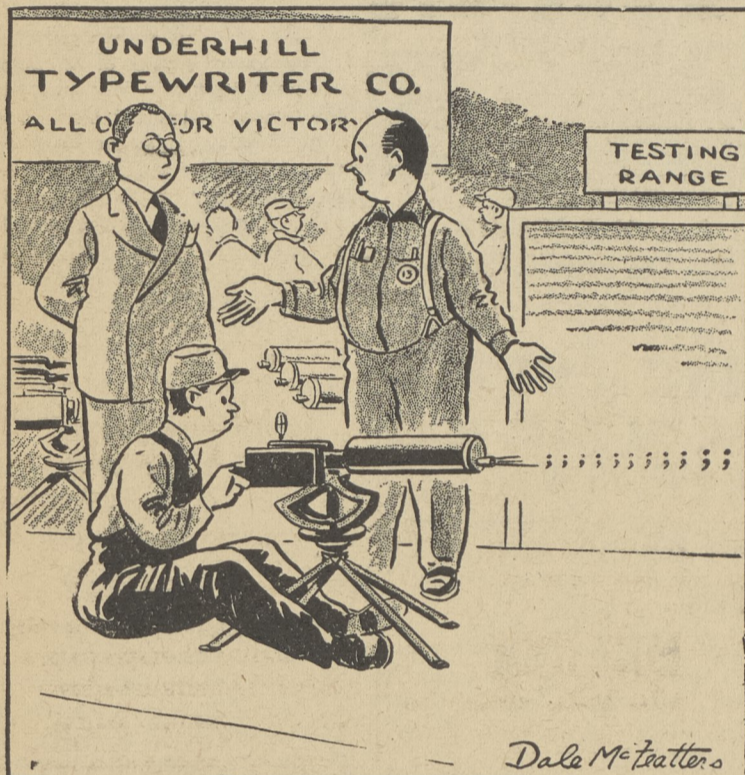

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)
