Do you know one good reason why  
**HAROLD E. FLACK**  
 Should NOT be your Representative in the  
**State Legislature?**

- Except that the court house politicians DON'T want him

- HE HAS SPENT A LIFE-TIME IN THE SIXTH LEGISLATIVE DISTRICT.
- HE IS THE FIRST REPRESENTATIVE ELECTED FROM THE BACK MOUNTAIN REGION IN THIRTY YEARS.
- FLACK HAS BEEN A GOOD REPRESENTATIVE IN HARRISBURG...LOOK AT HIS RECORD.

You know, of course, that every other Legislative District in Luzerne County, with the exception of the Seventh and Sixth, are controlled by the Court House Republicans. That's the reason for the big fight against Harold Flack. The politicians want men they can control. Maybe you've noticed that the only fellows who are doing the talking against Flack are the ones who hold paid Court House jobs—and that's the reason, Mr. Back Mountain Citizen, that you should vote for your neighbor.
