You can help make history

Militarily, this is the most important... most urgent phase of the whole war.

The moment is at hand for American soldiers to give everything they've got in a supreme effort.

Depend on them. They will write history... write it with their blood.

Financially, too, this is the most important, most urgent phase of the war for America.

This is the moment our soldiers depend on us to make our supreme effort in this war! We've got to make history too!

Don't fall America now. Buy Bonds. Buy Bonds and keep on buying Bonds even though it begins to pinch.

And if you think that's a sacrifice, just look at the casualty list in this newspaper... then go out and buy some more!

Buy your Invasion Bonds Today!
