

Modern Cannery To Open At Lehman

(Continued from Page One)

las 369-R-12, a few days in advance of the day on which you wish to can. Calling time, 1 to 4 P. M. Specify the type and amount of material you plan to can.

3. Must I take any equipment with me?

The canning center is fully equipped. It should not be necessary for you to furnish any equipment of your own.

4. What should I bring to the center?

The material which you wish to can and any supplies which you will need in canning it, such as salt and sugar. If you desire, you may furnish your own dish towels and dish cloth.

5. Who will be in charge of the center?

Mrs. Hannah M. Orr, who is the regular Home Economics teacher in the school, will be the supervisor. Mrs. Orr had considerable experience at the Ashley Center last year and is well prepared to give

efficient service.

6. What shall I wear?

Women should wear a cool washable house dress and apron. Men should wear suitable clothing so that they can assist in the canning.

7. When will the cannery open?

Monday, July 2nd, will be the opening date, although the formal dedication will not take place until July 10th.

8. What days of the week and hours of the day will the cannery be open?

These details will have to be decided after the opening in order to meet the needs of the public. Watch for announcements in the Dallas Post, or call the school to inquire.

9. What will be the cost of canning?

The first 25 cans may be processed free. (Cans will not be furnished free). After that a toll charge of one cent per can will be collected to defray costs of fuel, light, etc. This is probably cheaper than canning at home.

10. Must I use tin cans?

No. You may use glass jars if you prefer. Only tin cans may be

purchased at the cannery. Patrons must be responsible for providing their own glass jars.

11. How much will tin cans cost?

The price will vary with the size and type of can. The cans most commonly used will cost from three to five cents each.

12. Should I prepare the food at home before bringing it to the cannery?

All food should be prepared at the cannery. Equipment is available for this preparation. Better results are obtained if the food is prepared quickly and immediately placed in cans.

13. Under what conditions will it pay me to use the cannery?

It is not expected that the cannery will take the place of all home canning. We feel it will be to your advantage to use the cannery under the following conditions:

a. When you have considerable material to can at one time.

b. When you wish instructions on canning methods.

c. When you wish to use tin cans.

d. When you need to use equipment which you do not have in your own home.

14. What equipment is in the canning center which I might not have in my own home?

Blanching vats, 40 gallon steam jacketed kettle, exhaust box for tin cans, electric and hand operated tin can sealers, four steam retorts (large pressure canners), cooling rack for tin cans, pea sheller, corn cutters, electric meat grinder, dehydrator, lard press and sausage stuffer, large sized utensils.

15. May I bring my children?

Yes, if they remain on the playground. No one should be in the cannery except those who are actually working.

16. May equipment be borrowed for home canning use?

No; equipment may be used only under the supervision of the instructor.

17. What is the capacity of the canning center?

Two hundred and five quarts may be processed at one operation.

Kirkendall Buried Today

(Continued from Page One)

cousin, the late Fred C. Kirkendall of the Wilkes-Barre Times-Leader, was county treasurer. He also served the county in the prothonotary's office under Henry Waiser with whom he formed a partnership in the publication of the Hazleton Standard Sentinel. He was a former owner of R. Baur & Son, printing plant in Wilkes-Barre, and for a time was identified with the real estate business both in the Dallas area and Wilkes-Barre.

Always a Democrat in his politics, Mr. Kirkendall served as postmaster in Dallas Borough from 1933 to 1937 by appointment of the late President Franklin D. Roosevelt. He resigned that position to become treasurer of the Whiteman Company.

A gentleman in every sense of the word, Mr. Kirkendall was an interesting conversationalist and a profound reader. He had an ingrained love for Dallas and its traditions and enjoyed nothing more than meeting and chatting with old friends on his way to and from his duties. During an earlier day and throughout his lifetime he was a great admirer of the late Dr. Henry M. Laing and shared with him an interest in all sports and especially baseball. No phase of community life escaped his active mind but perhaps nothing appealed to him more than the beauty of the flowers and maples in the serenity of his home on Lake street.

He was a member of the First Methodist Church of Dallas and of Lodge 61 F. & A. M. of Wilkes-Barre and Irem Temple.

He leaves the entire community and a devoted family to mourn his passing. Surviving are his wife and the following children: George B., director of Community and War Chests, Utica, N.Y.; Col. John P. of the Army Air Force in Germany; Capt. Henry Laing Kirkendall, in the Medical Department Army Air

Corps, Langley Field, Va.; Mrs. W. S. Hart and Mrs. Lewis Kelly at home, and seven grandchildren. A son-in-law Lt. Lewis Kelly is doing special service for the Army Air Corps in Italy and Sgt. W. S. Hart is stationed with the infantry in the Pacific.

The funeral will be conducted this morning at 10 from the late home on Lake street with services in charge of Rev. Fred Reinfurt of Dallas Methodist Church. Interment will be in the family plot at Holtenback Cemetery.

Honorary pallbearers are: Dr. Frank Whiteman, Joseph Gross, Harry Snyder, Stanley B. Davies, Charles Lee, Mark Scureman, William Colly, Dr. Daniel Williams, Frederick C. Kirkendall Jr., C. A. Frantz, Nick Cave and Harry Twarowski. Active pallbearers are Charles Mayer, Z. E. Garinger, Charles Lamb, Harold Titman, Dr. F. Budd Schooley and Ralph Hallock.

Hugh G. Murray Buried Tuesday

Retired Hazard Man Ill For Three Weeks

Private funeral services were held for Hugh G. Murray Tuesday afternoon at 2 o'clock from the funeral home on Main street, Dallas with Rev. Felix Zaffiro, pastor of Shavertown Methodist Church, officiating. Mr. Murray died Sunday at his home on Pioneer avenue, Dallas, after three weeks' illness. He was 71 years old.

Mr. Murray, who had lived in Dallas for the past twenty-three years, was born in Wilkes-Barre. He was one of the oldest employees of the Hazard Wire Rope Company, having worked in the office 54 years before his retirement three years ago. In his leisure time he enjoyed working in his flower and vegetable gardens, studying birds and writing poetry.

He is survived by his wife, Hannah; two sons, Corp. Roswell T. Murray, Fort Stevens, Astoria,

Oregon, who was here during his father's last illness and for the funeral; and Glen B. Murray, Madison, N. J.; a sister, Mrs. Hugh Miller, Philadelphia; two half-sisters, Miss Anne Smith, New Canaan, Conn., and Miss Edith Smith, Morristown, N.J.; also three grandchildren.

Pallbearers were Walter Chamberlain, Alan Sanford, A. H. Van Nortwick and F. M. Garrahan. He was buried at Maple Hill Cemetery, Ashley.

J. W. Pembleton Laid At Rest

Building Contractor Dies At Huntsville

Funeral services were held Saturday afternoon, June 23, for J. W. Pembleton at the home of his daughter, Mrs. Leonard Ide, on the Huntsville-Idetown road, where he died June 20. Rev. Frank K. Abbott, pastor of Lehman Methodist Church, was in charge; Nat Williams of Jr. O. U. A. M., Luzerne, with which Mr. Pembleton was affiliated, also conducted a service.

Mr. Pembleton, who was 85 years old at the time of his death, had been in poor health for two years and ill for the past five weeks.

He was born and reared at East Dallas, the son of David and Jane Pembleton. He later moved to Luzerne, where he entered the contracting business. Leaving Luzerne in 1916, he lived in Susquehanna County and in Lehman. His wife the former Martha Kanarr of Luzerne, died in 1922, and in 1929 he retired. For the past eleven years, until his final illness, he lived on a farm in Mt. Zion.

Besides Mrs. Ide, he is survived by the following children: George Alderson; Ralph, Wilkes-Barre; James, Philadelphia; Mrs. Jessie Bevan, New York; Mrs. Lansford Norris, Chase, and Mrs. Fred Case Trucksville; also a sister, Martha Pembleton, Wilkes-Barre, and several grand- and great-grandchildren.

LEGAL

SEALED PROPOSALS
SEALED BIDS OR PROPOSALS will be received by the Borough of Dallas, Pa., until Friday evening, July 20th, 1945, at 8 o'clock, at which time the same will be publicly opened and contract awarded as soon thereafter as possible to the lowest responsible bidder for furnishing to the Borough oil and/or other bituminous products in such quantities as may be necessary for the repair of roads, streets, gutters, curbing, etc., on certain streets of the Borough during the year 1945, to an amount of approximately 3,000 gallons, in accordance with specifications now in the hands of the Borough Secretary, copies of which may be had upon application. Each bid shall be accompanied by certified or Cashier's check in the sum of One Hundred (\$100.00) Dollars, made payable to the Borough of Dallas, as a guarantee that the bidder, if awarded the contract, will execute the same and furnish bond or bonds as required by law, and which amount will be forfeited as liquidated damages in the event of failure so to do. The Borough reserves the right to reject any or all bids.

JAMES F. BESECKER,
Borough Secretary.

I bought good chicks and they deserve good care so I disinfect my brooder house with Dr. Salsbury's PAR-O-SAN often. It's such a pleasant disinfectant no dippy odors, no headaches and no trouble — in fact, I disinfect with PAR-O-SAN with the chicks right in the house. Poultry profits demand constant sanitation.

KEEP AT THAT SANITATION CONSTANTLY

Man Had Brick In His Stomach For 10 Years

One man recently stated that for 10 years he felt like he had a brick in his stomach. This feeling was due to the lump of undigested food he always had inside of him. He was weak, worn out, headachy, swollen with gas and terribly constipated. Recently he started taking ERB-HELP and says the feeling like a brick in his stomach disappeared the second day. Bowels are regular now, gas and headaches are gone and he feels like a new man.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So

What Is Legal Liability?

Common Law imposes on everyone the responsibility of proper care for the safety of the public. The failure to do what a reasonable person would ordinarily have done under the circumstances is generally known as "Negligence," which is the basis of any legal liability claim for damages. Just what constitutes negligence in any particular set of circumstances is a question of fact to be determined by a jury.

Liability insurance is a necessity for everyone. Serious financial loss and possibly bankruptcy may be avoided by adequate protection. For further information, call
