Lieut. Sidorick Killed In English Plane Crash
(Continued from Page One)

tended by all the officers and men of the squadron whose duties permitted it."

Lt. Sidorick was a veteran pilot with twenty-two missions over enemy territory to his credit. He recently received the air medal and was promoted to First Lieutenant. He had been in England since last October.

Born in Edwardsville on May 24, 1919, he was the youngest member of the large family of the late John and Mary Sidorick. When he was nine years old his parents died and his older brother Thomas and sister Agnes, took the responsibility of rearing the younger members of the family.

Francis attended Dallas Township High School where he played basketball and graduated with the class of 1937. For a time he was employed by Jacob Laux Manufacturing Company as a machinist and later became an airplane mechanic at Olmstead Air Field at Middletown.

He enlisted in the air cadets at Harrisburg and trained in Florida, Tennessee, Alabama, Arizona, Il-

linois, Kansas and at Center College in Kentucky.

A tall, gentlemanly, handsome blond, friendly and a natural leader, he made a striking appearance in his Air Corps uniform. Although Francis Sidorick will not be coming back, he will be remembered long by his friends as a brave and fine young man.

Beside Agnes and Thomas, he leaves the following brothers and sisters: Mrs. Wavela Evans, Kingston; Mrs. Anna Berdy, Edwardsville; Mrs. Johanna Rizeski, Trucks-ville; Mrs. Verna Romask, Newark; Joseph with the Signal Corps in the Pacific, and Edward in the Chelsea Massachusetts Naval Hospital where he is recovering from back injuries received when his ship hit a mine off the coast of France.

Entertains Pupils
Mrs. B. Aubrey Ayre entertained several of her music pupils at her home on Carverton Road, Trucks-ville, Monday evening. An attractive "Raggedy Ann" salad was served to Mary Stephens and Catherine Gilbert, Carverton; Betsy Reynolds, Trucksville; Mary Joan Williams and Sylvia Brown, Lehman; Elvira Thompson, Wilkes-Barre, and Mrs. Ayre.

Kingston Youth Drowns At Lake
Three-Year Record Broken On Sunday
A three-year record of no drownings at Harvey's Lake was broken Sunday afternoon when Harry F. Sorber, 16, son of Mr. and Mrs. Harry Sorber, Sr., of 44 Carle street, Kingston, drowned while swimming at Warden Place.

In company with John Mason, 16, of Kingston; Charles Howell, 16, of Wilkes-Barre; John Kearney, 17, of Kingston and John Hagen, 13, also of Kingston, the youth went to the lake where a boat was rented from Bryant's at Sunset.

They rowed the boat to 65 feet from the shore at Warden Place and were having fun "rocking the boat" which was partly submerged. It appeared to capsize and for a time the boys swam around the craft, and then called for help.

The Sorber boy disappeared under the water. Efforts of nearby boatmen and swimmers to locate him were fruitless because of the muddy condition of the water. Finally grappling operations recovered the body at about 4:40. Chief Swanson and other volunteer workers applied artificial respiration for an hour in an attempt to revive the youth, but at the end of that time Dr. Benjamin S. Davis of Plymouth pronounced him dead.

The drowned boy graduated from the eighth grade last month and would have entered Kingston High School this fall. He was a member of Kingston Methodist Church. Besides his parents he is survived by five sisters and his paternal grandparents, Mr. and Mrs. Frank Sorber, of Kingston.

Sgt. Maury Is Safe In France
Wants Apple Pie For First Meal
Mrs. Henrietta Schultz of Harris Hill Road, Trucksville, received a letter recently dated May 16, from her nephew T/Sgt. Alfred E. Maury, saying he is safe in France and on his way home. That's the news she has been waiting for all during the past year when his letters came marked "Kriegsgefangen-empost" from the German prison camp where he had been held since February, 1944.

She waited from February to April of last year before receiving word that he was no longer "missing" but a prisoner. His address came in May, but he didn't begin receiving her letters until October. When the first ones arrived he wrote back, "A letter does more good here than it ever did before."

Mostly, he was concerned about the health of the family back home and asked them to be sure to keep the car running. For himself, he wanted some "home-made stuff" to eat, and a good book on carburetors to study.

Mrs. Schultz is thankful for the Prisoners of War Bulletin, published by the American Red Cross. The articles about prison camps, letters from prisoners, and information about communicating with prisoners gave her much help and comfort. She has been thankful, too, for the letters from relatives of other crew members.

Mrs. Mildred Collins of North Carolina wrote that Sgt. Maury was the youngest man in the crew, the "pet" of the others, and sent Mrs. Schultz a prayer for prisoners of war which she had found comforting.

Sgt. Maury who celebrated his twenty-first birthday May 22, has asked his aunt to be sure to have plenty of apple pie ready for him when he comes.

Carverton Youth Center Holds Open House
Carverton Youth Center held an Open House Friday June 29, when everyone in the community was invited to come and inspect the youth center. There was a program by the teen-agers and members of the Adult Committee. Robert Currie, Harold Flack and Harry Hirsch, who started the organization of youth centers in this area, were present.

Cleo Follmer was program chairman, assisted by Miss Susan Cassidy, Thomas Earl and Edgar Sutton of the Adult Committee.

Cooked A Fine Dinner; Then Threw It To Dog
One lady recently stated that she used to throw her own dinner to the dog most of the time. "It made her sick just to look at anything to eat. She was swollen with gas, full of bloot, had headaches, felt worn out and was badly constipated. Finally she got ERB-HELP and says she now eats everything in sight and digests it perfectly. Bowels are regular and normal. She is enjoying life once more and feels like "some other woman" since taking this New Compound.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP. Bert & Co's Store. —Adv.

There is a Farm Bureau life insurance contract that can help you! Check with us today!

Sgt. Hayes Wins Army Air Medal
Gen. Kenny Commends Work In Philippines
S/Sgt. William J. Hayes, son of Mr. and Mrs. Robert J. Hayes of Main Street, Dallas, has been awarded the Air Medal "for operational flight missions from 18 August 1944 to 26 February 1945" with the Fifth Air Force in the Philippines. He is an aerial gunner with the 312 th Bombardment Group, an A-20 bomber unit known as the "Roarin' 20's," serving during the New Guinea Campaign and now participating in the liberation of the Philippines.

In a letter to Mrs. Hayes, General George C. Kenny, Commander of the Allied Air Forces, Southwest Pacific Area, said, "Your son took part in sustained operational flight missions during which hostile contact was probable and expected. These flights included bombing missions against enemy installations, shipping and supply bases, and aided considerably in the recent successes in this theatre."

A graduate of Pelham Meevil High School, Sgt. Hayes studied at Colby College and Columbia University and was a member of the Pi Alpha Sigma Fraternity. Prior to enlisting in the Air Force in March 1942, he was an investment advisor for Chase National Bank in New York. Sgt. Hayes has served overseas eleven months and is credited with 50 combat missions in the Southwest Pacific Theatre.

2¢ Worms a Pullet
Purina
CHEK-R-TON
Efficient . . . Kills 93.6% large roundworms
Shockless . . . Will not upset birds
Economical . . . 6 lbs. treats 100 birds

Leave the large roundworms out on range. Use Purina Chek-R-Ton the last week before housing. Feed six pounds per 100 birds. Mix it with the amount of mash they will eat in seven days. Although tests show Chek-R-Ton kills 93.6% of large roundworms it will not upset the birds.
