ARE YOU GOING TO DO IT THE HARD OR EASY WAY?

That swell plan you've got for later on can be realized much more easily—if you keep your head now!

Now—is the time to sock your money away in the best investment in the world, and at the same time give your country the help it's asking for, with War Bonds.

Now—goods are scarce and prices high. You'll get a good dollar's worth if you don't spend your dollar now—if you hold on to those War Bonds till they mature.

Now—when you're maybe making more money than you used to and it's not so hard to keep on buying that War Bond every week or every month—is the time to insure your future plans.

You may be able to fulfill them the hard way later on—by scraping up the money somehow. And again—you may not.

If you're wise—you'll do it the easy way—with War Bonds now to have and to hold!

War Bonds—to have and to hold!
