Either way, you're a winner when you put your money on Watkins Mineral Compounds for Hogs, Stock and Poultry. Make money by speeding up production, getting faster growth and saving on feed. Hens need Watkins Mineral Compound to cut cost of producing eggs. Do it by saving on feed and getting more of the eggs the hen is bred to lay. Just four extra eggs a year pays the cost of the Mineral per hen.

VITAL VICTORY FACTS about the great Victory Loan and how important it is to you and the business of your farm to buy EXTRA bonds in this final loan!

MAKE VICTORY SECURE
BUY VICTORY BONDS

Seven times during the war you've been asked to buy extra bonds to win Victory. Our fighting men have finished their job... let's finish ours! Buy extra bonds now!

Victory Bonds will help pay the tremendous cost of winning the war. They will help bring our boys back home... will supply the finest of medical care for our wounded.

Held by millions of Americans, bonds will provide a reserve to assure jobs for veterans, for other workers. They will help maintain prosperity for you and your community.

\$4.75 one only to a customer

By buying bonds rather than scarce goods, we help keep the lid on prices... keep our pledge to fighting men to guard their dollars' value. We prevent inflation... and depression.

Victory Bonds form a reserve for "rainy days," provide a backlog for needed farm repairs, for buildings, improved stock... if current income fails to cover them.

They hold dollars in store for our children's education. Victory Bonds purchased today, will provide the scientific training so necessary in the world of tomorrow.

\$300 + 10 YEARS = \$400

Victory "E" Bonds return \$4 at maturity for every \$3. The safest investment in the world, after 60 days, they are immediately convertible into cash if necessary.

Buy Victory Bonds to start your own annuity fund. Followed up with regular purchases of U. S. Savings Bonds, Victory Bonds will permit you to enjoy later years in comfort.
