FOUR REASONS - - -

Why there are more Iron Age Planters in use today than all other makes combined.

1—Feed Mechanism

Only Iron Age gives you multi-Way Adjustable pickers on the automatic. Basically they are the original Iron Age Automatic design and have been proven on thousands of farms throughout the world.

2—Fertilizer Attachments

Only Iron Age gives you positive, uniform delivery and "Band Way" fertilizer placement. The most economical method of fertilizer application known.

3—Opening and Covering Gangs

Only Iron Age offers you the choice of five different types of opening plows, choice of these different sizes of covering discs and five different planting shoes. Built to work under any soil condition.

4—Construction

Rugged strength and dependability are built into every Iron Age Planter as a result of more than fifty years of research and strenuous field tests . . . constantly improved through the experience of growers all over the country. Any user will tell you that his Iron Age Planter will take it and hold up year after year.

Our 1946 Planters will be shipped soon. We can still accept your orders for a few new planters. Also have several good used machines coming in. See us today for positive delivery.
