Why Worry About Shortages? Try One Of These Dinners

Firemen Offer The World's Best Cooks

Back Mountain housewives rested considerably easier this week and relaxed in their hectic search for holiday meat, when Lehman Volunteer Fire Company and their wives announced that they would serve a delicious roast beef dinner at Lehman High School on July 4. Tickets which must be purchased in advance from firemen or at the high school office will be numbered and guests seated at the dinner according to arrival. Serving from 11:30 until 1 o'clock.

Lehman High School Band will furnish music with the meal and in the afternoon, athletic contests and a baseball game will be featured—making a day of it.

Mrs. Beulah Sutton is chairman assisted by a large and able committee of the "world's finest cooks."

Beaumont-Dallas Clash On Sunday

Beaumont Is Leading In Bi-County League

Starting around the circuit for the second half in the Bi-County League, Dallas Legionaires will meet the League-leading Beaumont Club Sunday at Beaumont.

Beaumont's only defeat this season came at the hands of the Legionaires in their opening game, and Dallas hopes to duplicate that feat on Sunday.

"Regardless of who wins," says the Legionaire's manager, Don Grose, "this is sure to be a swell game with plenty of action."

"Chet" Sutton, who in 1939 pitched Dallas to a championship, has joined the Legionaire's pitching staff and will be in action on Sunday. In 1939, Sutton pitched in eleven games and won ten, four of them shutouts.

Beaumont Athletic Association has a fast club co-managed by Ralph Taylor and Herbert Goodwin. The team is composed of former high school players who won the PIAA playoffs and five pennants in a row. On Sunday the club defeated the fast Mehoopany outfit 7 to 4, and throughout the season has been playing before large crowds of interested fans from all sections of the Back Mountain Region.

Among the twenty men carried on the squad—all of them local boys—are: pitchers, Ralph "Mac" Taylor, Willard "Lefty" Wetzel, Clayton Taylor; catchers, Russell Wall, Dick Patton; first base, Archie Austin; second base, Jobie Dietz, Bobby Smith; shortstop, Herbie Goodwin; third base, Carl MacDougal; center field, Don Richardson; left and right field are held by Taylor and Wetzel when they are not pitching, other fielders are Charles Pilger and Edward Clark. Heavy hitting has marked all of the club's games with all of the players having high batting averages.

Her only survivors are several nephews and aunts. Interment was in Mt. Zion Cemetery.

CHRISTOPHER LACY BECOMES CONFUSED IN ARDMORE TRAFFIC

Christopher Lacy, two and a half year old son of Mr. and Mrs. James Lacy of Huntsville, had a narrow escape from serious injury or death last Friday afternoon at Ardmore when he was struck by an automobile while on a vacation trip with his parents.

The youngster was walking along the street with his mother when he dashed into the middle of the street in front of heavy traffic in both directions. He was knocked to the pave by one of the cars and picked up in a bruised frightened condition.

Fortunately medical examination revealed no serious injuries. Unaware that he came close to ruining his parents vacation, Christopher, now safely at home, mutters to himself and to all comers, "A car hit me . . . a car hit me."

Bottoms Up!

That's the way you want your flies, and that's the way they are when you use Dr. Hess BARN SPRAY and Dr. Hess Livestock FLY SPRAY Concentrate.

These two new products give farmers a simple, practical fly control program that gets results. Both products contain DDT, both are safe and effective.

BARN SPRAY is for buildings. Mix it with water and spray it where flies settle. They die as a result of lighting on sprayed surfaces.

Livestock FLY SPRAY Concentrate, mixed with water, is for use on livestock. In addition to DDT, it contains Thantite for quick knockdown and repellancy. This gives milking time protection—something DDT alone can't do. Also kills flies that attack cows in pasture.
