

Football Roundup

BY LARRY

Back Mountain football teams fought hard battles Friday under a blazing sun that didn't help them play good ball. The boys are beginning, however, to hit their stride and we saw better football than previously.

Dallas Township Ties
Dallas Township ran into a big and rugged Shickshinny eleven and it took all the township boys had to come home with a scoreless tie. Outweighed but not outclassed, Dallas showed much improvement over the previous week. The backfield, working as a unit, looked good, but couldn't break loose long enough at any time to score. Shickshinny, at the same time, found the Dallas line a tough proposition and the few times they did penetrate it decisively met waiting township backfield men. It was a well-played game, in the style of the teams the Back Mountain put

out in years gone past. We hope to see more like it.

K. T. Takes Lehman
In the other Back Mountain game, Kingston Township ran roughshod over a valiant, but too light, Lehman squad. As predicted, the K.T. backfield got its bearings in this fray, breaking out a variety of plays that Lehman just couldn't stop. Fullback Youngblood was the big gun of the campaign until the end of the second quarter when he was benched. With his services for the rest of the game, the score would have been even more lop-sided than 21-0. Quarterback Lutsey played a consistently fine game all afternoon, chalking up two tallies and turning in a fancy exhibition of football as it should be played. The K. T. line continued the fine defensive play it has shown this season but was even better on the offense. Excellent blocking and vic-

ious charging were commonplace as the afternoon wore on. If Coach Jenkins keeps his backfield sparking as it did against Lehman, prospects down K. T. way are good from here on in.

In spite of the one way score, the game was not a run-away. Lehman's light squad played gritty football and held the Katies time after time, but just weren't big enough to stop the rampage. On the offense Lehman repeated its Dallas mistake by waiting too long to get started. After a first play pass that missed by a shadow Lehman failed to threaten seriously until the last quarter. Then taking the ball on its own twenty, it marched unhindered deep into K.T. territory. The whistle was the

only thing that could stop them and it did. The Naugle boys starred for Lehman all the way with Lloyd at Fullback, the only Scottie who consistently gained through the K. T. wall. Louis, at center, played a nice defensive game, stopping several K.T. plays that looked like sure touchdowns.

K. T. rooters outnumbered the Lehmanites. We can't say that this is why K. T. won but we do admire the school and community spirit that prompts these people to come out and give their team a boost.

Fair Play

A few years ago the local circuit was noted for rough play. Better referees didn't like to serve the area because of boos and cat-

calls that attended every decision or penalty. We were happy to see this spirit fade out in the past few years but are just as unhappy now to see it back in all its ugly glory. Comments from the crowds at recent games have not been limited to football and there has been an excess of piling on and other unnecessary roughness on the part of the players. We know that the majority of the people in this area want to see their particular team win, but we also know they want to see it done fairly. If the referees will call them as they see them and enforce the penalties the rules provide for, we'll see better and cleaner games.

Tomorrow's Games

Tomorrow will be a rough day

for the Back Mountain as Dallas entertains West Pittston, K. T. travels to Swoyerville and Lehman journeys to Shickshinny.

Pittston overshadows the home boys but, with Dallas Township playing on its own field and after the showing it made against Shickshinny, we predict an even game with the balance going to whichever team gets the breaks.

K. T., too, runs into a bigger squad but size doesn't mean everything. Now that the Katies have hit their stride and have the confidence of a win under their belts its going to be hard to hold them down. Here too we expect a close and hard-fought game.

Lehman will have to pull a lot of tricks and an entirely different

line out of the hat to prevent staying in the "lost" column. Several times against K. T., Lehman showed the stuff it takes to win but couldn't hang on to it. If they find it tomorrow, and use it right, we may see the Lehman boys bringing home their first victory of the season.

Church Entertainment

Maple Grove W.S.C.S. will hold an entertainment in the church tonight, Friday, October 11, at 8 o'clock. Home-made ice cream will be sold.

STATE GRANGE

State Grange will meet in Wilkes-Barre this year, October 21 to 24. All Grangers are advised to begin now to make plans to attend.

CAN YOU STOP ON A DIME?

**OBSERVE ALL TRAFFIC RULES
KEEP YOUR CAR IN GOOD REPAIR
DON'T TAKE CHANCES**

This advertisement is one of a series prepared by the Pennsylvania Newspaper Publishers Association, with the cooperation of the National Conservation Bureau, as a public service in support of highway safety.

Most cars today are old and war-weary. Their average age is eight years. They need more attention—more repairs—and more adjustments for safe driving.

Can you be sure your car will stop at a dangerous intersection, or remain in control down a steep hill? Are your brakes efficiently adjusted for quick emergency stops? Don't wait for a crash to find out. Make periodic examinations of your safety equipment. Check brakes, steering gear, wheel alignment and lights.

You are at the mercy of a ton of fast moving metal. At 40 miles per hour it requires 128 feet for a safe normal stop from the time your brain tells your foot to step on the brake.

Remember—it's your car and maybe your life, or the lives of others at stake.

• Before you START be sure you can STOP—even on a dime.
