Township To Start Drive For New Fence

Community Is Asked To Contribute **Funds For Project**

Dallas High School Athletic Committee is opening a drive for funds to build a fence around the school athletic field.

Speaking of the drive, Supervising Principal Raymond Kuhnert said yesterday, "the nature of foot_ ball requires that the boys taking part be furnished with equipment that affords maximum protection against injury. Such equipment costs money in rather large amounts. The most natural method of securing funds for this purpose is from paid admissions. "Attendance at games on Dallas

Township Field has been fairly good. Too many spectators have however, preferred to be "guests" rather than paying spectators, and without a fence around the field there is no way of altering the situation. As a result income from games has not been large enough to meet expenses. The record of the last four seasons shows this clearly

Receipts Expenses 1943 137.44 505.88 1944 201.65 568.83 1945 280.40 462.63 400.00 (Est.) 1040.00 1946 "Last year the Athletic Commit-

tee in cooperation with the P.T.A. sponsored a series of dances that put better than \$350.00 in the Athletic Treasury. Because of this effort, all bills were paid in full for the first time in more years than any one connected with the organization can remember.

"Expenses incurred because of football cannot be cut-on the contrary, some fans feel that they should be increased-Hence we must conclude that the income from games must be increased. This can be done only by erecting a fence to force all spectators to pay a reasonable admission charge or by a continuous program of extra activities year after year to raise extra funds. The Athletic Committee feels that the fence is the most logical solution to the problem. The support of every sports-loving citizen of Dallas Township and adjoining communities is solicited.'

Forty Awarded **Parade Prizes**

Crowd Is Estimated

Judges of the Hallowe'en Parade were representatives of Dallas Borough and Dallas Township schools and local civic organizations. First row, left to right, Z. E. Garinger, Mrs. Oswald Griffiths, Margaret Brace, Betty Sullivan, Mrs. Harry Ohlman, David Joseph, master of ceremonies; Second row, left to right, Floyd Chamberlain, David Jenkins, Charles James, Raymond Kuhnert, Harold Titman, Robert Dolbear and Henry Peterson, general chairman.
