SAFETY VALVE . . .

(Continued from Page Two)

We know that these two outfits to be organized in Pennsylvania's post-war National Guard will be a credit to the State, the National Guard, and to Negroes as a whole.

A helping hand now and then can go a long way towards success.

The proof rests in the pudding. It's up to these two new battalions to show of what they are made.

William Dennison

STATE POLICE SAY:

American ingenuity has produced super-efficient cars, but American carelessness has made them ghastly weapons for killing our neighbors. Sometimes driving brings out the worst in human nature. Selfishly, a driver will hug the center of the road, refuse to let others pass, weave in and out of traffic, or cut across a line of traffic when he wants to make a turn. The courteous driver is the better driver and usually gets there just as fast.

OUR DEMOCRACY — by Mat

"WHERE THERE'S A WILL THERE'S A WAY" — IN THESE UNITED STATES

AMERICA OWES MUCH TO HORATIO ALGER. MANY OF THE MEN WHO TODAY HOLD PLACES OF LEADERSHIP WERE, AS BOYS, THRILLED BY HIS STORIES—DREW HOPE, INSPIRATION AND COURAGE FOR THE CAREERS THAT LAY AHEAD. BETTER THAN ALMOST ANY OTHER AMERICAN, HE PAINTED—FOR GENERATIONS OF OUR YOUTH—THE PICTURE OF AMERICA AS THE LAND OF OPPORTUNITY FOR THE INDIVIDUAL WHO STROVE TO MAKE THE MOST OF HIS CAPABILITIES.

WITH THE CHARACTERISTICS THAT ALGER STRESSED—PERSEVERANCE, THE WILL TO WORK, INTEGRITY AND INGENUITY—THE INDIVIDUAL CAN GO FAR IN OUR DEMOCRACY TODAY.
