spent in watching a red-hot pipe can be pretty exhausting, nervously speaking.
The chimney fire last night wasn't a patch on the ones we had in Eugene, but it was plenty bad enough. Me, I just don't like fire, any kind of a fire, unless behind good stout bars.

Here's a fine buy in siding! I KNOW!

Take a siding contractor's word for it—Flintkote Insulated Siding is a fine buy:—

1. It insulates the home against heat and cold, because it's made on a base of Flintkote Insulation Board.
 2. It reduces maintenance expense, because the fireproof, weatherproof mineral granules rolled into the surface require no periodic upkeep.
 3. It beautifies the home with attractive brick or stone design panels.
- Ask us to show you samples of Flintkote Insulated Siding, and give you a free estimate for re-siding your home. There's no obligation.
