(Extra Innings)

BILL'S BITS
By Bill Hart

In an upset victory a surprisingly strong Orange team defeated East Dallas 7-5 in an 11-inning game. The Bi-County League tilt was played Sunday on the Dallas Township diamond.

Orange had a decided edge in hitting and pitching, getting 12 hits while pitchers L. Evans and Len Bellas held East Dallas to 5. . . . East Dallas played one of the smoothest games afield seen around here in a long time, but had no punch at bat.

Gordy "Peanuts" Austin, East Dallas second baseman, cut off enough Orange hits to have him indicted for grand larceny. . . . He covered second base like a blanket and made frequent sojourns behind short and first to come up with some beautiful plays. . . . His adroit fielding was one of the bright spots of the game.

Orange has the longest ball hitters in the league. . . . J. Smith and Kunkle both had long doubles over the left field bank, while Walt Schultz and Joe Tondora, East Dallas left and center fielders, were kept on the run the entire game. Howard Garbutt, East Dallas fielder, was the hero of the game as he singled home three runs to tie the score with two out in the last half of the ninth. . . . Jack Kane, pitcher, had Dallas' only extra-base hit, a double in deep left field. . . . Howard Garbutt had two singles, Harry Hughey and Joe Tondora one each.

All sport fans having any interest in baseball or children should read Lynn Ashworth's letter in the Safety Valve. . . . It's time some one took more than a passing interest in the "Kids' League", including the Kiwanis Club.

Shavertown and Trucksville are leading in the Dallas Kiwanis League, with Jackson Township and Dallas Township right on their heels.

Dallas Legion moves into first place in the Susquehanna League with its 5-4 win over Wanamie AC. . . . Railway Express lost to Miners Mills Sunday for its first loss of the season, pushing it back to second place. . . . Dallas has a 6-1 record while Railway stands at 5-1. In a Frank Merriwell finish, Jimmy Knecht tripled, and then scored the winning run on an error in the ninth inning. . . . Glenn Roberts had 3 hits, Steve Sedler 2, and

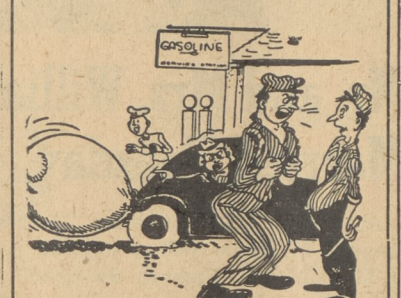

Jim Knecht and Sparky Rattigan one each. . . . Harry Grose kept up a torrid strikeout pace having 10 to his credit this game.

One of the more classy leagues in this vicinity is the Huntington Valley League out Sweet Valley way. . . . Bruce Warntz of Hunlocks Creek is the league president. . . . League standings at present are: McKendree, Huntington Mills, Hunlocks Creek, Sweet Valley, West Nanticoke, and Broadway. . . . In a tight well-played game Sunday Sweet Valley defeated Hunlocks Creek 8-7.

Bi-County League race is becoming well defined by now, with Beaumont coasting along in first place with a string of seven victories. . . . Shavertown is second with a 4-2 record while Noxen and Orange are tied for the third spot with 4-3 each and East Dallas is fourth with 3-3. . . . One of the better games on next week's list is the Beaumont-East Dallas fray. . . . Dallas must win this one to stay in the running for one of the top positions.

BI-COUNTY LEAGUE SCHEDULE
Games to start 2:30 P. M., Sunday, June 27

Cut Your Costs The Easiest Way!

BURR'S R.O.P. RESULTS SHOW HOW GOOD BREEDING AND GOOD FEEDING DO IT!

And here's the proof. "We had 1700 White Leghorn pullets," says Mr. Warren K. Burr of Burr's Poultry Farm, Tunkhannock, Pennsylvania, "all entered as R.O.P. candidates (1946-1947). Of this number, 1385 qualified with an average production of 275.4 . . . an average egg weight of 26.7 ounces . . . and an average body weight of 4.9 lbs." "The hen housed production of the 1700 candidates was 253 eggs."

★ This is an outstanding record . . . and we heartily congratulate Burr's Poultry Farm. What's more, this fine record emphasizes two important facts.

- Nothing that a poultryman can do will lower cost per dozen eggs so rapidly as even a slight increase in egg per bird.
- Good feed helps produce more eggs at less cost.

Burr's Poultry Farm makes **RECORD PRODUCTION** on **BEACON FEEDS** For years, Burr's Poultry Farm has depended on Beacon Feeds. They use Beacon "right down the line" for breeders, chicks, pullets and layers. And they used Beacon Feed for the recent R. O. P. results.

"We feel that Beacon Feed has done its share toward this record," says Mr. Warren K. Burr, "because we were able to maintain good feed consumption throughout the year. If the feed had not been of consistent good quality, this would have been difficult to do."
