Rinke, Mrs. Dean Shaver, Mrs. Russell Dodd, Mrs. Howard Boice, Mrs. Glenn Spencer, Mrs. Bruce Williams, Mrs. Hayden Williams, Mrs. Margaret Laity. The Lehman Band will give a concert in the evening.

BILL'S BITS

By Bill Hart

Both Dallas teams tasted the bitter draught of defeat Sunday... Dallas Legion bowed to Miners Mills 4-3 and Noxen took the measure of East Dallas 5-2.

Dallas Legion had its big chance to climb into 1st place Sunday, as Hudson defeated the 2nd place Railway team 3-1, but it was the same old story... The Legionnaires seemed to lose pep and played listless ball until the ninth inning when they rallied for two runs but were stopped short of the tying counter... A couple of close plays, which appeared to have been called badly by the umpire, effectively broke up three Dallas rallies and seemed to break their spirit too... As in the last four games, a few very poor and raw decisions by the umpires at crucial moments spelled defeat for Dallas... The Legionnaires are in third place by a few percentage points, but will get a break when they meet last place West Side AC at Kirby Park next Sunday... They wind up the regular season against the increasingly tough Shawnee Tavern at home August 8.

Dallas had eight hits off Scott, Miners Mills pitcher, with Paul Fiske smashing a triple over the leftfielders head for the longest hit of the game... Glenn Roberts had two singles and Harry Grose a double and a single... While Steve Sedler with a double and Ken Grose and Jimmy Knecht with singles rounded out the Legion attack... Loren Fiske pitched a beautiful game for Dallas allowing only four hits while striking out ten men, but lack of support lost the fourth straight game for the Legionnaires.

Charles Cooke, USN, ex-basketballer and footballer from Dallas Township is home on leave from Memphis, Tenn.

East Dallas was stopped in its surge for first place Sunday and a surprisingly strong Noxen team was the one that did the trick... East Dallas has been playing good steady ball the past few Sundays and this defeat seriously hampered its chance of ending in the top two teams... Beaumont is the class of the league with its 10-2 record and Orange and East Dallas is fairly secure in its runner up spots... But the biggest fight will be over fourth place as Noxen, Shavertown and Carverton will be after a play-off spot.

Mac Taylor, old reliable, pitched and batted Beaumont to its 10th victory as he slammed out three doubles to account for the majority of Beaumont runs... Ralph Anthony, another pitcher, starred for Shavertown in its 4-3 victory over Harding. He hammered a home run off the Kingston Township School and also contributed a single.

The question is being popped around "Why doesn't Dallas Legion join the Bi-County League?... It would seem like the most sensible thing to do as there would be less expense for them and they would bring a large paying crowd back in the loop... They would be a natural for this circuit and would bring lots of friendly rivalries back in play... Think of the crowd a Legion-Beaumont or a Legion-East Dallas game would draw... The consensus of opinion shows the thought that the Bi-County League certainly is as fast as the various Valley leagues if not faster than most... The lack of organized umpires is its most serious drawback.

The advent of negro players becomes a deluge as Charles Lawson, Susquehanna League prexy announced the signing of two more negro players in his Larksville team... Jim Cross, the colored centerfielder turned out to be a big find for them with his fielding and classy stick-work... Larksville dismissed seven players, four of them the starting infield, to rid the team of dissension... Talk about a clean sweep.

THESE WOMEN! By d'Alessio

"Oh, she's pretty enough I guess, but I understand she can't even make a cake of ice!"

ORANGE

Save A Child... Save The Future!

This little girl may die before summer comes— if you do not help today! Perhaps it will pinch a little, to help her and millions like her—but think what you will be saving!

As you read this, millions of the world's children are starving.

To keep as many as possible alive, the members of the United Nations are making a unified appeal for your help.

This appeal is called the Crusade for Children, and here in the U. S., 26 long-established relief agencies are represented.

Sixty million dollars are needed—and quickly. For hunger breeds hate, hate breeds war.

When you save a child today, you save the future tomorrow. You and your own children must live—or die—in that future. So give now!
