

Dallas Legion showed the qualities of a champion as it came through when the blue chips were the table to wallop Shawnee in a smooth, well-kept game, the Legionnaires defeated Shawnee 4-1. . . . Victory puts Dallas back in place, but with a possibility of a tie with any of the challenging four teams. . . . The Legion, playing its own confident game showed some of the power that makes it one of the most feared teams in the circuit, as it blasted out three runs in the sixth on a series of clean hits.

The Legion is now in a position of watchful waiting as the remaining teams attempt to eliminate each other from the playoffs. . . . At the very worst the Legion can end up, in a tie for second place. . . . Charlie Lawson, league president, is of the opinion that Wanamie will be the closest team to Dallas, and of the four, Wanamie, Miners Mills, Railway, and Shawnee Tavern, Railway will be the one eliminated from the playoffs.

Loren Fiske pitched one of his best games turning back Shawnee with only four hits and eleven strikeouts. . . . With only a brief flurry in the fourth to score one run, Shawnee was powerless against the speed and slants of the Legion hurler, while Dallas feasted on the unorthodox delivery of Casey, Shawnee pitcher for seven hits, one of them a deep home run along the right field line by Jim Knecht. . . . Umpire Ostrowski, assigned to last Sunday's game, is a brother of the Baron basketball star, Kuyler Ostrowski.

In a fitting climax to an exciting contest, Harold Brobst made a great diving shoestring catch of a high fly in left field to end the game. . . . Brobst also starred at bat, getting a freak single off the butt of his bat and a double to drive in the winning run and then romped home on Jimmy Knecht's homer. . . . Harry Grose also had a field day as he collected two singles and both times went all the way to third on a fielder's choice in a brilliant exhibition of base running. . . . He also made some sterling plays in centerfield covering the entire territory like a wet blanket. . . . Sparky Rattigan with a long double to right, (robbed of a sure homer as the ball hit a car and bounced on the playing field) and Glenn Roberts with a timely single rounded out the Legion attack.

Six Dallas players were chosen for the West Side All Star team, announced Charles Lawson, league president. . . . The game will be played the latter part of this month. . . . Legion players honored were: Manager Ken Grose, 3rd base; Harry Grose, outfield and pitcher; Jimmy Knecht, 1st base; Sparky Rattigan, 2nd base; Paul Fiske, catcher; and Loren Fiske, pitcher. . . . Four Shawnee players chosen were Casey, pitcher; Turpak, 3rd base; Davis, shortstop; and G. Voytush, outfield. . . . West Side AC will be represented by Delaney, outfield, and three players yet to be named. . . . Larksville's selections include Pickey, catcher; Davis, outfield; Handley, infield; and Kowalski, 3rd base. . . . Lawson hazards that this aggregation of stars should take the measure of the East Siders.

East Dallas upset Beaumont 5-3, as Harry Martin held Arch Austin's boys in the palm of his hand striking out twelve men and giving up only eight scattered hits. . . . If East Dallas can win Sunday's game with Shavertown, it will tie Orange for second place. . . . Assured of a place in the playoffs, East Dallas is pointing for a repetition of last year's feat of ending the season in third place and then winning the playoffs. . . . If its pitchers get the support they have had in the past few games, East Dallas will be a very dangerous opponent in the playoffs. . . . Tex Wilson with a double and a single and Harry Hughey with two singles led the Dallas attack aided by Art Bellas with a double and Pete Austin, Joe Tondora, and Al Morse with singles. . . . The Taylor brothers spearheaded the Beaumont attack with five hits between them.

Orange smothered Carverton 18-0 gathering twenty hits off Bill Fink, Carverton pitcher, five of them for extra bases. . . . Len Bellas with a home run, two doubles and a single led the foray followed by Sickler with a double and four singles, Evans with a double and a single, W. Smith with three singles, Kunkle with

two singles and Matte, A. Bellas, Fronzck and Stofko with one single apiece. . . . Every man in Orange's starting lineup had at least one hit. . . . Carverton could reach Lou Evans, Orange hurler for only five hits, two of them by rightfielder Charney.

Noxen sunk Harding 12-0, with Granville Scouten facing only twenty-nine batters and striking out fifteen while allowing only three hits. . . . Fred Case, Noxen leftfielder, slammed out two home runs and two singles to head Noxen's batsmen. . . . Art Blizard, Noxen manager, tells us that he has the best pitching staff in the league and that they'll cause plenty of trouble in the playoffs.

Vernon just slipped by Shavertown 5-4 in a tight game. . . . Vernon was leading 5-1 going into the ninth inning when Shavertown exploded for three runs and had men on second and third when the final out was made. . . . Arja Brown, Shavertown 3rd baseman, drove in two of the three runs when he doubled with the bases loaded. . . . Everetts was the winning pitcher for Vernon and Art Kitchen the loser for Shavertown.

Dallas Township won the Kiwanis League flag as it defeated Trucks-ville 3-1, Friday in a play-off for first place. . . . Rightfielder Watkins drove in the Red and White's winning two runs with a double. . . . Bob Bellas was the winning pitcher. . . . Dallas Township will play Trucksville in a three-game playoff series, the winner to be awarded a dinner by Dallas Kiwanis Club.

Lehman has added two new foes to its gridiron schedule. . . . Both Factoryville and Moosic will field teams in this area for the first time in seven or eight years. . . . Besides the two newcomers, Lehman will play its old standby: Tunkhannock, Avoca, Dallas Township, Kingston Township, and Clarks Summit.

East Dallas at Shavertown  
Carverton at Noxen

**Real Estate Taxes Continue Upward**

The burden carried by overloaded Pennsylvania home owners continues to get heavier as rising costs of local government bring about additional tax increases, the Pennsylvania Real Estate Association has asserted. "In many instances these advancing taxes are not being levied directly," said association spokesman, "but are appearing in the form of increased charges for light, water and sewer rents. In addition local taxes for school and municipal purposes are being increased steadily."

**ORANGE**
