Firemen to Observe Fire Prevention Week

Dr. Henry M. Laing Fire Company in observance of Fire Prevention Week, starting October 4, will make the community fire-conscious with a series of talks, movies, and demonstrations.

The committee in charge is Fire Chief James Besecker, Assistant Chief James Gansel, Assistant Chief Atlee Kocher, and Henry Peterson. Chief Besecker will have charge of the fire inspection and will distribute home inspection blanks and literature to the schools.

Assistant Chief Gansel will have charge of the fire-fighting demonstration to be held in central Dallas.

Mr. Peterson will have charge of talks at Dallas Borough and Dallas Township Schools.

The demand for movies is so great they are not available for showing at this time. However, a trailer film will be shown at Himmeler Theater during this time.

The fire-fighting demonstration will feature operations involved in actual fire-fighting. Connecting to fire hydrants, pumping, scaling buildings, and use of both fog and water streams, will give the public a graphic picture of fire-fighting at its best.

Save A Child... Save The Future!

Look at the face of this little boy. In it you see no hope, no happiness. Only fear—and resentment. He will grow up hating the world—unless you give him that hope, now!

AS you read this, millions of the world's children are starving.

To keep as many as possible alive; the members of the United Nations are making a unified appeal for your help. This appeal is called the Crusade for Children, and here in the U. S., 26 long-established relief agencies are represented.

Sixty million dollars are needed—and quickly. For hunger breeds hate, hate breeds war.

When you save a child today, you save the future tomorrow. You and your own children must live—or die—in that future. So give now!
