SWORN AND SUBSCRIBED TO BEFORE ME THIS 27TH DAY OF SEPTEMBER, A. D. 1948.
G. HAROLD WAGNER,
Published in pursuance of Section 11, Act of February 17, 1906, as amended by Act No. 188 of June 2, 1939, Harrisburg, Pennsylvania.

FARM TOPICS

Clean Up Garden—A fall clean-up of vegetable tops, weeds, and other litter in the garden will reduce the disease problem on next year's crop. It is the easiest and cheapest form of plant disease control.

Avoid Too Much Lime—Too much hydrated lime used in drying litter for baby chicks can cause irritation of the feet, inflammation of the respiratory system, and even death of the chicks.

Save Wheat from Loss—Winter wheat can now be sown safely in nearly all sections of Pennsylvania without danger of loss caused by the Hessian fly. Fly-free dates are grouped around the last of September and the first of October.

Make New Lawn Now—Fall is the best time to start the new lawn. A good lawn requires topsoil, at least 4 inches thick and preferably 6 inches. Fill in the rough grade with subsoil up to within 6 inches of the grade desired and then fill with topsoil.

Feed New Grain Slowly—If small amounts of new grain are fed the first few days and increased gradually over several weeks, the digestive systems of poultry will become accustomed to the new grain without trouble.

Plan Rat Control—Screen and ratproof corn cribs before the corn crop is put in them. Also, plan now to kill rats on the premises with mixed red squill and meat bait later in the fall.

BILL'S BITS

By Bill Hart

Experience told the sad tale Saturday as the Green and Gold of Avoca took the measure of Dallas Township Redskins, 18-6. It was Avoca all the way, with Dallas on the receiving end in all but the third quarter, when they finally began clicking and scored their only touchdown.

The Red and White started a drive in the latter part of the third period, highlighted by a pass from Bloomer to Redmond good for 30 yards, but Avoca intercepted another pass to temporarily halt the Redskins drive. Dallas refused to give in and in the last quarter Bloomer broke through and blocked an Avoca punt and Flanagan recovered for Dallas on the Avoca five. A penalty moved the ball to the two where Rosser Cooke crashed off-tackle for the score.

Avoca was led by Clifford, who made a 50 yard sprint through the whole Dallas team on an off-tackle slant, and seven other veterans of last year's squad. A number of fumbles combined with some costly penalties kept Dallas in their own territory most of the game.

Putting the entire squad through a hard workout this week, coach Tom Edwards is preparing to give West Pittston a battle tomorrow afternoon. Although the Green and White of Pittston are odds on favorites, the Redskins, with a few games under their belts, might prove a little tougher than expected. Dallas will be playing their last home game for the next three weeks and are out to hand the West Pittston lads a surprise and to atone for last week's setback.

Unable to decipher the Kingston Township passing attack, a scrappy Lehman team bowed in defeat 18-0 last Saturday night at Kingston Stadium before 450 fans. While the Red and Blue more than held their own on the ground, Kaytee's end Dick Handley roamed at will through the Lehman secondary and was on the receiving end of three touchdown passes.

With the teams going all out to win, the tackling and blocking was clean and hard on both sides, and a more evenly matched contest than the score seems to indicate was played. Kaytee's first touchdown came in the second quarter,

when on a beautifully executed play Russ Hons flipped a long pass to Handley in the end zone. The Orange and Black scored again just before the half on a jump pass, Gleasbi to Handley. Midway in the third quarter, it was Hons to Handley again for Kingston Township's final score.

Have New Son
Mr. and Mrs. Sam Patner of Fernbrook have announced the birth of a son, Samuel Joseph, at Nesbitt Hospital September 20.

Huntsville Church
Missionary Society of Huntsville Christian Church is preparing a parcel of gifts to aid in rehabilitating mission stations in Puerto Rico. Collections of goods, which include new or used sheets, cases, towels and wash cloths, is in charge of Mrs. Stanley Culp, Huntsville, and will continue until after Anniversary Week, ending October 20.

Perhaps you are contemplating doing some exterior or interior painting.

We are headquarters for the famous Wetherill's Atlas Paints. There's a Wetherill kind for the very purpose you have in mind.

There are many reasons why Fall Painting is best. Among which we enumerate the following important ones.

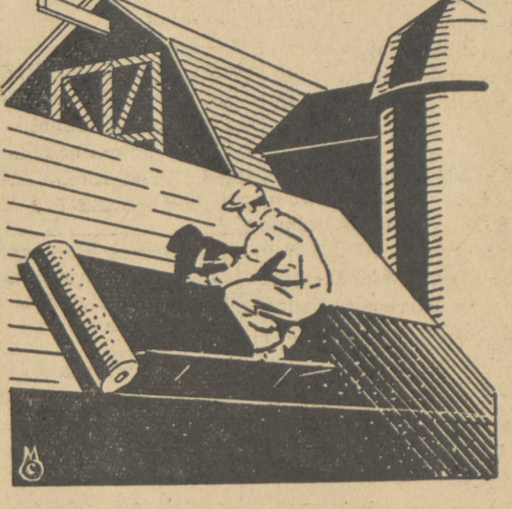

1. The surface is more likely to be dry.
2. The weather is more settled with less likelihood of rain and dust.
3. Windows may be open for ventilation, better drying conditions and less bother doing interior work.
4. Children in school and less interruption.
5. Better possibility of finding the time or help to do the work.
6. Good Paint saves its cost by preventing rot, rust and decay which comes from not painting.

We would greatly appreciate the chance to serve you. Won't you come in and let's talk it over without any obligation to buy. We're always glad to see you.
