Heat your home
this modern way

Here is the Master Kraft Warm Air Conditioner. With this unit installed in your home you are assured of nature's finest weather brought indoors and harnessed by science to make your days healthful and invigorating, your nights restful and comfortable. All winter long it warms the air to exactly the desired degree—adds just the right amount of humidity—filters the air—removing dirt and dust, and gives circulation in every room. During the summer, at the flick of a switch you get a complete circulation of fresh, filtered, pure air throughout the house.

Electronic Control—the eye that never closes. Master Kraft oil heating units are first to have this marvelous new control. Works six times as fast as ordinary controls.
