BILL'S BITS
 (Continued from Page Six)

Cooke made the first score in the second quarter on a plunge from the 3 . . . The score was set up by a 12-yard plunge by Cooke and a fifteen yard quarterback sneak by Bobby Bellas . . . In the fourth quarter a pass interception by Wilson on Factoryville's 48 and a series of end runs by Cooke and Wilson moved the ball to the 2,

where Cooke sliced off-tackle for the score.
 The best play of the game from the spectators point of view was a pass interception by Wilson in the fourth quarter on the Dallas 10 and his runback ninety-yards up the sidelines for a touchdown, only to have it nullified by two separate penalties which returned the ball to Factoryville and placed them in position to score their only touchdown.
 Tunkhannock defeated Kingston Township 14-13 last Thursday night to almost cinch the Back Mountain Championship . . . The only stumbling block in the Tigers road for the crown is the Redskins from Dallas Township and the Tigers are rated at least two touchdowns better than their remaining rivals.

For a Strong, United America
Put this Winning Team in Washington

For strength and security at home and abroad, we must have a united nation. That calls for teamwork in government, teamwork between government and the people. It demands the ablest leadership.

Their lifetime records prove that Dewey and Warren will provide such leadership. They will untangle, unravel and unsnarl the muddled mess in Washington. They will deal intelligently and firmly with high prices, including the high price of government. They will establish clear-cut, consistent policies which will build a real foreign relations program and restore our leadership to world peace. They will unite Americans in teamwork with each other and with the world.

What have they done? Here's just a part of the record:

As Governors of two of our greatest states, they have given the people well-organized and well-run government. They have cut out waste and extravagance, saved money for the taxpayers, reduced the public debt. New York taxpayers were saved 800 million dollars through Dewey's tax cuts; in California, Warren's tax reductions amounted to 500 millions.

Dewey and Warren do more than talk about tolerance; they have put it into law and practice. They do more than talk about cleaning up corruption and crime; as the nation's most successful district attorneys, they closed the rackets and jailed the racketeers. You can depend on this—there will be no Communists in a government headed by Dewey and Warren!

These candidates are men of action, not just talkers. Dewey's low-rent housing plan, America's No. 1 attack on slums, provided homes for 160,000. Warren's administration has kept Californians housed all through the most rapid population growth in history. Both have outstanding programs for veterans.

They know the needs of agriculture, labor and business, because California and New York are leaders in industry and farming. They understand the people's everyday problems, because they know what it is to be poor—both of them started at the bottom and went to the top by making good on every job.

For Teamwork in Government, Elect

DEWEY **WARREN**

And for complete teamwork, elect a Congress that will work with Dewey and Warren. Re-elect the Congress that reduced your income taxes against the bitter opposition of a Democrat Administration; the Congress that freed the 7½ million lowest-income taxpayers from all income taxes; that protected the rights of all workers; the 80th Congress that carried out the will of the people.
