COLEMAN FLOOR FURNACE

Here's the newest idea in the heating game. It sits in your floor like an ordinary hot air register—Burns oil, and really rolls out the heat. The "COLEMAN" doesn't require a cellar or detract from your floor space.

When the firewood problem gets tough for you, who are lucky enough to have a woodlot, we can help you with SAGER AXES, ARMY SURPLUS CROSSCUT SAWS AND CHAINS, SAW MANDRELS ETC., at prices that please.

KEEP HEAT IN—COLD OUT!

Most every one knows what it costs to heat his home, but too many fail to stop the leaks around windows and doors. It's cheaper to spend cents for weatherstrip than dollars for fuel. We have the weather strip to keep your heat in—Cold out.

"PLASTIPITCH" COATED STEEL ROOFING—

has received a warm welcome in this section. Slightly higher in price it gives you all the advantages of steel roofing without the added cost of painting from year to year. If your roofing job isn't started, TRY "PLASTIPITCH".
