BILL'S BITS
By Bill Hart

The local gridiron warriors wrote the closing bars of the '48 football sonata yesterday—Kingston Township clashed with Dallas Township on the Dallas field—Clark Summit visited Tunkhannock for their season's finale.

Yesterday morning's game between the Redskins of Dallas Township and the Kingston Township Kaytees was a continuation of the old rivalry between the two schools—a season, no matter how disastrous is considered successful by either school if it ends in a victory over its traditional rival.

With this season over, the familiar cry "wait 'til next year" again rings out . . . Kingston Township loses quite a few players through graduation, while Dallas Township is considerably better off, having for the most part an undergraduate squad.

The friendly rivalry between the two schools has been increased by the announcement from the Dallas Rotary Club that it is sponsoring a football trophy for the Back Mountain area . . . This trophy, a bronzed football shoe, will be presented to the members of the winning team by the Rotary at the Irem Temple Country Club early next month. . . . Hereafter, the trophy will be awarded to the team having the best won and lost record among the Back Mountain teams.

This coming basketball season promises to be one of the hottest in years . . . Dallas Borough is fostering a small, fast team which will be pointing for the top spot—giving the Blue and Gold some top flight, if not some championship competition, will be the rangy Kingston Township squad and the veteran Fairview outfit. . . . The dark horse of the league will be Laketon . . . At present it looks likely that Harter, Lehman and Dallas Township will hold up the rest of the league (from the bottom) again this year.

Fairview became the second team in the league to play an exhibition tilt as they tangled with Wilkes-Barre Township on Tuesday. It will meet the same team again next Tuesday . . . Dallas Borough engaged Wilkes-Barre Township Wednesday in a practice game . . . Fairview lists as its opponents besides the Back Mountain squads, such teams as White Haven, Rock Glen and Foster Township . . . Dallas Borough has listed Forty-Fort, West Pittston, Tunkhannock and Nescopeck as opponents in its exhibition games.

Dallas Legionaires held their first practice in Dallas Borough gym Sunday . . . Many members of last year's top squad were present, along with a number of aspirants for spots on the team.
