RADIO NEWS

TV (Television)

Out at JERRY FRANTZ'S PLACE ON OVERBROOK, we are just finishing up the installation of TV. We are having fair too good results on Channel 4, NBC, New York. Although we at first anticipated better results on Channel 12, CBS and Channel 5, Dumont, results on these two have been comparatively poor to fair.

It would not be right to tell you that you could see a first class show every night because we do have a poor night now and then, but for the most part it is OK. Drop in about 8 PM and stick around.

Of course we do have a quantity of so-called snow in the picture but still not enough to ruin its entertainment value. This snow effect is due to weak signal conditions and to a large extent, cannot be totally overcome this far from the transmitting station. Another source of trouble is diathermy interference, although not serious enough to ruin our picture entirely, those machines employed by doctors and hospitals to ease our aching backs, etc., can really mess up a television show. The usual indication of this interference is a herringbone running horizontally through the picture.

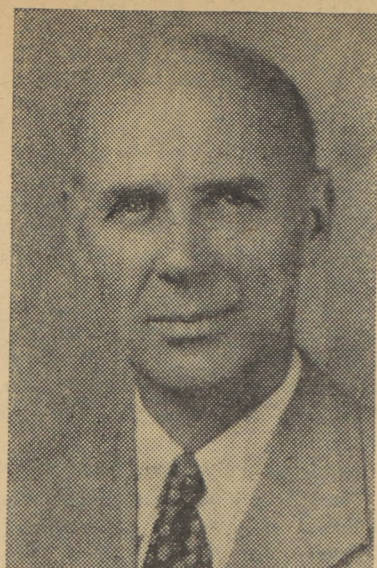

Just another thought, the installation of TV in this area (the fringe area—and I do mean the ragged outer fringe) is a tricky sort of thing but if you are interested, let us give you the benefit of our experience here and the several months of TV installation supervision and service in the Washington, D.C., area. Your location may be such that you can have excellent results, (there are such spots back here in the mountains). We are equipped to run tests and determine what can be expected in a given area.

P. S. We don't claim that Jerry's installation receives the best pictures in the county, we say it works and is providing within its limitations, entertainment not readily available otherwise.

For the finest in service, the finest in radio, the finest in TV, call us.

To Speak at Huntsville

Rev. Kenneth L. Potee

Huntsville Christian Church will be honored Sunday evening as host to the Rev. Kenneth L. Potee, secretary of the Disciples of Christ Mission in Central Provinces, India. Mr. Potee, whose mission service in India began in 1921, is on furlough and will speak at the meeting of the missionary society. A photographic enthusiast, he will show colored films and slides. The public is cordially invited.

As secretary of the mission in India, Mr. Potee lives in the city of Jubulpore. Due to the nature of his duties he is in contact with every phase of missionary activity. Work in the India Mission is carried on by 48 missionaries and 237 national workers maintaining ten stations with a total of 47 churches, besides 34 additional localities where services are conducted on regular schedule. Approximately 3,700 are members of the Disciples of Christ Church in the subcontinent. The church sponsors seventeen schools enrolling 1500 students and three hospitals and five dispensaries handling more than 200,000 treatments yearly.

Rev. and Mrs. Potee will return to India at the conclusion of their furlough.

Lehman Ladies Hold Meeting on Wednesday

Lehman Methodist Church W.S. C.S. met at the church Wednesday afternoon and made plans for a valentine party to be given the Young People's Choir.

Serving Committee for the day were: Mrs. Corey Major, Mrs. Ella Major, Mrs. Russell Ide, Mrs. Glenn Johnson and Mrs. A. B. Simms. Members voted to contribute a sum of money to buy music for the choir. They were also asked to bring to the church Sunday morning, old, and new clothes for the needy of Europe.

Lehman Home Ec Girls Are Farm Show Winners

Two Lehman High School Junior girls, Grace Darrall and Madeline Havrilla, won prizes for their projects at the Farm Show in Harrisburg week before last. Grace placed first in the Child Care project, against some twenty other contestants entering a train made from tin cans, and Madeline, fifth in the sewing project with two hundred competitors. She showed a blouse. The entire Junior Home Economics Class enjoyed two days at the show where they visited exhibits and the Capitol buildings under direction of their teacher, Miss Ruth Shelhammer and Mrs. Lester Squiers.

On the trip were: Dorothy Meade, Dorothy Rogers, Catherine Smith, Lois Ide, Mildred Ide, Jane Brown, Catherine Casper, Joan Sebolka, Ruth Catchman and Grace and Madeline.

First half of the Back Mountain League winds up tonight with Fairview a cinch for at least a tie for the honors — Kingston Township must whip the fighting Lehman Scotties, the only team to beat the Fairview quintet, to tie for the top spot — The Katie-Scottie encounter will settle the tie that now exists for second place. The high scoring Kingston Township team, averaging 50 points a game, is a favorite over Lehman, which against Dallas Borough failed to resemble the team that handed Fairview its defeat. — The Kingston Township-Lehman girls game will be a blue chip affair. Lehman leads the league while the Katies are ties for the runner-up position.

Dallas Borough and Dallas Township clash in what used to be a top blood game. The Borough rates heads above the Redskins, so it is up to the two girl's teams to uphold tradition. Laketon meets Harter in a game which will match two of the loop's top scorers, Gulitus and McKeown. This game is a toss-up, with Harter given the edge. Laketon girls should triumph over the Harter lassies to keep in the running for the girl's championship. Dallas Borough, a hot and cold aggregation, was definitely on when it took Lehman 34-17 Tuesday. During the first quarter Dallas

sported to a 9-0 lead and was in command the rest of the game. Dallas was sparked by Shafer with 11 points, 8 of them coming on mid-court set shots, and Harris, who sank 7 for 10 foul shots and who was a big factor in the Blue and Gold's controls of the boards. Lehman was too tense and tight and couldn't click against the Borough's three-two zone defense.

In the other games, the Harter boys had an easy time with Dallas Township as four men broke into double figures in their scoring. Dallas girls tromped Harter 39-17 to score the highest number of points for the year. Kozick hit for 16 counters for Dallas. Fairview took Laketon 49-33 for its fifth win with Strauss having 24 points and Gulitus 18. The Fairview-Laketon girls played another of the one point games, marking the second contest which Laketon has lost by this margin. After holding a 15-11 halftime lead, Fairview had to fight to squeeze out a 22-21 victory. Nicholas led the visitors with 10 counters, while Bellaba was high with 10 for the home team.

Township Alumni To Organize February 19

A reorganization meeting of Dallas Township Alumni will be in the form of a banquet at the Township High School Saturday night, February 19 at 6:30.

J. Lloyd Drake, former Township teacher, will be guest speaker and Raymond Kuhnert, toastmaster. Thomas Evans will speak briefly on the Letter Men's Club. Group singing will be led by Alfred M. Camp.

Announcement cards have been mailed to alumni. Any one not receiving one should contact one of the following committee members: Mrs. Edward Sidorek, Mrs. Walter Gosart, Mrs. James Knecht, Mrs. Bruce Davies, Mrs. Fred Dodson, Miss Beatrice Hildebrand, Miss Marry Bennalack, Edward Lumley and Marvin Elston.

Reservations and money should be in by February 10.

Sordoni Interests Purchase Lake Street Property For New Building

Harold G. Payne Is Made Vice President

Coincident with the announcement that Harold Payne of Harvey's Lake has been elected vice president and general manager of Commonwealth, Luzerne and Bradford County Telephone Companies, comes the announcement that the Commonwealth Company has purchased a strip of land along Lake Street from A. C. Devens and will erect

there its new building formerly planned for location on its present site of Church Street.

The new building, part of a \$2,000,000 expansion program will be more beautiful and more complete than that originally planned for Church Street. It will serve as general headquarters for all of the companies owned by Senator Andrew J. Sordoni.

The management, plant engineers and the entire telephone accounting department, which heretofore was centered in the Sordoni organization's Forty-Fort office will be moved to the Dallas location.

Equipment necessary for conversion to dial operation in the Dallas area is expected to be received in the fall and installation will be made immediately.

The three telephone companies accommodate subscribers in an arc from Ringtown, near Shenandoah, to Wapwallopen to Dallas and the

Back Mountain Area and thence to Bradford County and the New York State Line.

On July 1, 1948, Mr. Payne, who had been assistant manager of the three companies, was elevated to acting vice president and general manager, assuming the duties of R. W. Kintzer, who retired. The action of the directors at the annual meeting confirms Senator Andrew J. Sordoni's July appointment.

Harold G. Payne became associated with the Sordoni organizations in 1929 when the Sordoni Constrection Company erected Kingston High School. In 1932 he was transferred to Harvey's Lake Light Company, where he worked until 1941, when he was appointed to the Dallas office of the Commonwealth Telephone Company as district manager. On June 1, 1944, he was appointed assistant general manager of the three telephone companies. Mr. Payne and his family reside at Harvey's Lake.

Orange Church Supper

Adult Bible Class of Orange Methodist Church will hold a covered dish supper at the Church Hall on Friday night, February 4 at 6:30. All are welcome and should bring a covered dish.

Grover Cleveland will be remembered as the President who extended the "Monroe Doctrine."

Annual Meeting

Annual meeting of Jackson Township Volunteer Fire Department for the election of officers will be held on January 31 at 7:30 at Rome School House.

This meeting marks the first anniversary of the local fire department. Refreshments will be served.
